BMX Go Forward Strategy

Committee Recommendations

The Community Development and Recreation Committee recommends that:

1. City Council endorse, in principle, the BMX Go Forward Strategy as set out in this report and its Attachment 1, subject to the successful securing of any financial resources required for its implementation.
2. City Council receive, for information, the maintenance practices identified as presently being undertaken at the City's two existing BMX sites set out in this report and its Attachment 4.

Origin

(September 22, 2009) Report from General Manager, Parks, Forestry and Recreation

Summary

This report presents a Toronto BMX Go Forward Strategy that, in part, sets out a number of principles and strategic actions that would help make Toronto an improved cycling community for BMX, as well as other types of off-road cyclists. The strategic actions (see Attachment #1) aim to create an environment that helps to mitigate some of the concerns of the local off-road cycling community.

An integrated network of on and off-road recreational cycling facilities and trails would benefit a wide range of users of the City's parks and trails systems, including local and visiting cyclists, skateboarders and hikers.

The City manages the wooden ramps at Wallace-Emerson Park, which are on loan from Toronto BMX, and also manages the dirt jumps at this and the Bayview Arena site. This report identifies current operations and maintenance that occurs at the City's two existing BMX sites, as well as sets out additional basic operations and maintenance practices that should be considered for these facilities in the future.

Origin

(September 24, 2009) Report from General Manager, Shelter, Support and Housing Administration

Summary

Since 2004, the provincial government has provided funding for a Rent Bank program in Toronto. After a review, the province made some changes to the program and a new agreement between the Province and the City is required in order to receive continued provincial funding. The agreement requires that the Rent Bank program, and more specifically the Local Rules, be approved by Council.

This report recommends that the General Manager, Shelter, Support and Housing Administration receive delegated authority to enter into a new agreement with the Minister of Municipal Affairs and Housing, and to enter into future amendments as may be required. In addition, the report provides information about provincial requirements for the program, and seeks Council approval of the Local Rules for the Toronto Rent Bank program.
