Implementation: New Model to Enhance Toronto's Economic Competitiveness

Committee Recommendations

The Executive Committee recommends to City Council that:

Board Remuneration

1. The recommended rates of remuneration for citizen appointees to the Boards of Directors of Build Toronto and Invest Toronto include attendance at board and committee meetings and service on any subsidiary or associated board.
2. With respect to Build Toronto, the following annual remuneration be set:
 - a. citizen board members: an annual retainer of \$5,000 plus a per meeting fee of \$500 with a cap on total annual remuneration of \$15,000;
 - b. citizen Vice-Chair (while Mayor is Chair): an annual retainer of \$30,000 (with no meeting fee) in recognition that this Vice-Chair will be required to take on additional duties to support the Mayor in his role as Chair;
 - c. once a citizen assumes the Chair: the remuneration for a citizen Vice-Chair (if a citizen is Chair) will be set at the same rate as a citizen board member; and
 - d. citizen Chair: an annual retainer of \$40,000 (with no meeting fee) in recognition of the time demands for client and stakeholder contacts beyond formal board meetings.

3. With respect to Invest Toronto, the following annual remuneration be set:
 - a. citizen Vice-Chair (Mayor is Chair): an annual retainer of \$15,000 (with no meeting fee) in recognition of the additional duties that would be required to support the Mayor in his role as Chair.

Policy With Respect to the Transfer of Assets to Corporations

4. Council adopt, as the City's policy with respect to the transfer of assets by the City to corporations, as required by Section 7 of Ontario Regulation 609/06, the proposed By-law attached as Appendix "A".
5. Authority be granted for the introduction in Council of any bills necessary to implement the foregoing;

Toronto Business Development Centre

6. The General Manager of Economic Development, Culture and Tourism and the City Solicitor be authorized to take any action that he or she determines is necessary and appropriate to remove any provisions or statements that provide, state or suggest that Toronto Business Development Centre, a non-share corporation, is an agent or a representative of the City.

Corporate Operating By-Laws

7. Council approves By-Law Number 1 of City of Toronto Economic Development Corporation and new by-laws for each of Build Toronto Inc. and Invest Toronto Inc. as attached in Appendix B, C and D.

Decision Advice and Other Information

The Executive Committee referred the following Recommendation 3. a., contained in the report (January 19, 2009) from the City Manager, entitled "Implementation: New Model to Enhance Toronto's Economic Competitiveness", to the City Manager with a request that he submit a report thereon directly to Council for its meeting on February 23, 2009.

- "3. With respect to Invest Toronto, the following annual remuneration be set:
 - a. Citizen board members: no remuneration be paid recognizing that while the City will benefit from the expertise and contributions of these members, the members and their respective sectors may also benefit through new business contacts and opportunities".

(January 19, 2009) Report from the City Manager

Summary

This report updates Council on the overall progress to date of the implementation of the New Model to Enhance Toronto's Economic Competitiveness.

Four specific implementation requirements are addressed as follows:

1. remuneration for citizen members of Build Toronto and Invest Toronto boards;
2. an asset transfer policy required by Ontario Regulation 609/06 to be in place before any lands can be transferred to Build Toronto by the City;
3. a resolution to support the proposal by the Toronto Business Development Centre (a small business incubator) that it no longer be considered or act as an agent or representative of the City, to be consistent with the City's relationship with other incubators; and
4. presentation of operating by-laws adopted by the boards of directors of Build Toronto Inc., Invest Toronto Inc. and TEDCO for Council/shareholder approval as required by the Ontario Business Corporations Act.

Toronto Beaches Plan

Committee Recommendations

The Executive Committee recommends that:

1. Council approve the action plan outlined in attachment 1 to improve Toronto's swimming beaches in 2009-10.
2. A three-year pilot project be undertaken at Sunnyside Beach to enclose a portion of the swimming area and provide water that meets Ontario's recreational water quality standard at a cost not to exceed \$1,000,000.00 (net of GST) in 2009;

3. Subject to City Council adopting Recommendation 2, the General Manager of Toronto Water be given authority to sole source the design and/or construction and/or operation of the facility if necessary in order to have the enclosed swimming area at Sunnyside Beach in operation for the 2009 swimming season;
4. Opportunities to include Blue Flag quality swimming beaches in the development of the Arsenal Lands/Marie Curtis Park West, Colonel Samuel Smith Park and Port Union Waterfront Park Phase 2 be investigated in consultation with adjacent communities and the Toronto and Region Conservation Authority;
5. An international design competition be held in 2009 to develop a new prototype lifeguard stand for future use at Toronto beaches;
6. The Chief of Police be requested to extend lifeguard hours during Extreme Heat Alerts at selected Blue Flag beaches that are not posted against swimming;
7. As planning work is completed, the General Managers of Toronto Water and Parks, Forestry and Recreation report back to the appropriate Standing Committee to identify the capital budget requirements and operating impact on Parks, Forestry and Recreation services and programs to implement the Toronto Beaches Plan.
8. The General Manager, Parks, Forestry and Recreation, in consultation with appropriate city officials, be requested to submit a report to the Parks and Environment Committee on opportunities to improve the littoral zone, including the lake bottom within 20 metres of the shore algae impact and landfill debris below the water that undermines the swimming experience at Cherry Beach for 2010.
9. City Council recognize the efforts and partnership of Environmental Defence Canada in the ongoing implementation of the Blue Flag Program.
10. The appropriate City officials be authorized and directed to take the necessary action to give effect thereto.

Decision Advice and Other Information

The Executive Committee requested the General Manager, Toronto Water, to submit a report directly to Council for its meeting scheduled to be held on February 23, 2009, on the options available for extending the containment area for Sunnyside Beach.

Mr. Lou Di Gironimo, General Manager, Toronto Water and Ms. Brenda Patterson, General Manager, Parks, Forestry and Recreation, gave a presentation to the Executive Committee on the Toronto Beaches Plan and filed a copy of their presentation material.

Origin

(January 13, 2009) Report from the General Manager, Toronto Water, the General Manager, Parks, Forestry and Recreation and the Medical Officer of Health

Summary

Swimmable beaches are often used as an indicator of Toronto's environmental performance and quality of life. Over the past five years, the City has taken many steps to improve its 11 designated swimming beaches, and work continues on projects to reduce beach pollution from combined sewer overflows and stormwater discharges.

The report titled "Great City, Great Beaches: Toronto Beaches Plan" (January 2009) has been prepared and provided separately to Committee members and the City Clerk's Office. The Toronto Beaches Plan identifies actions to further enhance beach water quality, maintenance and operations, facilities and amenities, programming, and education and communications. The Plan is driven by a vision of getting all Toronto swimming beaches to and beyond the Blue Flag standard – the international eco-label for quality beaches. Coupled with existing operations and other planned continuous service improvements, the actions outlined in the Plan will maintain the Blue Flag status of six City beaches, bring five others up to the Blue Flag standard and potentially create a new swimming beach at Colonel Samuel Smith Park.

Cost Savings Analysis of the Enhanced Streets to Homes Program

Committee Recommendations

The Executive Committee recommends that:

1. The General Manager, Shelter, Support and Housing Administration, in consultation with the Acting Deputy Manager and Chief Financial Officer report in mid-2010 to the Executive Committee on quantifiable savings and costs based on surveys and analysis of changes in service use patterns for individuals who received service through the enhanced Street to Homes Program.
2. The City Manager request the Federal and Provincial Governments to cost share the enhanced Streets to Homes Program.

3. The General Manager, Shelter, Support and Housing Administration, be requested to work with the Medical Officer of Health to consider ways to address the immediate health needs of clients of the Streets to Homes program.

Origin

(January 19, 2009) Report from the Acting Deputy City Manager and Chief Financial Officer

Summary

This report responds to a Council recommendation that the Deputy City Manager and Chief Financial Officer undertake a cost benefit analysis of the enhanced Streets to Homes Program to assess the social costs that are offset by this program as an aid to discussions with the Province and the Federal Government respecting the possibility of cost sharing this program, and report thereon to the Executive Committee.

Previous research demonstrates that individuals who are housed through Streets to Homes are less likely to use costly emergency services such as shelters, ambulance and emergency hospital care, police services and jails. Just as these benefits across a range of service systems are shared by the City, the Province and the Federal government, the investment in the enhanced Streets to Homes Program should also be shared by all orders of government.

This report provides general information on the estimated cost savings possible through changes in use of services by clients of the Streets to Homes Program. Once the enhanced program has been operational for a full year, further detailed analysis of the service use changes and cost savings will be conducted.

Toronto Just for Laughs Comedy Festival - Extension of Tourism Event Development Loan

Committee Recommendations

The Executive Committee recommends that:

1. City Council authorize the extension of the repayment term of the Tourism Event Development Loan to the Toronto Just For Laughs Comedy Festival for \$500,000 to December 31, 2010 in form satisfactory to Deputy City Manager and Chief Financial Officer and the City Solicitor; and

2. The General Manager of Economic Development, Culture and Tourism be directed to assist the organizers of the Toronto Just For Laughs Comedy Festival with any technical assistance and operational support and services necessary from other City of Toronto Division's and Agencies who will be providing services to the organizers and to explore opportunities to provide additional financial assistance via new and existing City of Toronto programs.

Origin

(January 19, 2009) Report from Sue Corke, Deputy City Manager

Summary

The purpose of this report to seek approval to extend the term of the Tourism Event Development Loan to the organizers of the Toronto Just For Laughs Comedy Festival.

Just For Laughs is a Montreal based integrated entertainment organization that operates the hugely successful Just For Laughs Comedy Festival in Montreal and is involved in a variety of television production and distribution ventures. The organization established an annual Comedy Festival in Toronto in July 2007 which has been critically successful in its first two years of operation.

It is recommended that the term of the Tourism Event Development Loan be extended for two years to allow the Toronto Just For Laughs Comedy Festival to expand the number of days of operation for the Toronto Festival and to allow the Just For Laughs organization to establish a Toronto office creating year round employment opportunities in television production and distribution, performing arts and in festival and event management.

Purchasing Decisions Under the Policy on Donations to the City for Community Benefits

Committee Recommendations

The Executive Committee recommends that:

1. The Policy on Donations to the City for Community Benefits be amended to include the following language at the end of section 1.7:

Any bidder or proponent found to be in violation of this policy may be subject to disqualification from the procurement process or future procurement processes at the discretion of City Council.
2. The Director of Purchasing and Materials Management be directed to make potential bidders and proponents aware of the Policy on Donations to the City for Community Benefits, as amended, by ensuring that the Policy is included in the City's Policies and Legislation set out on the City of Toronto website and referenced in all call documents issued by the City.
3. The Acting Deputy City Manager and Chief Financial Officer be requested to report back to the Executive Committee in 18 months time on any necessary revisions to the Policy.

Origin

(January 9, 2009) Report from the Acting Deputy City Manager and Chief Financial Officer

Summary

The purpose of this report is to respond to a request by the Executive Committee to:

- a. establish a protocol for investigating complaints with respect to the sections of the Policy on Donations to the City for Community Benefits (the “Policy”) dealing with procurement decisions; and
- b. report on appropriate penalties against suppliers that violate the Policy.

Where complaints are made with respect to the sections of the Policy dealing with procurement decisions, the Purchasing and Materials Management Division (“PMMD”), the Toronto Office of Partnerships (“TOP”) and the Accounting Services Division (“Accounting Services”) will work together to investigate the complaint and determine whether a supplier is in violation of the Policy.

It is recommended that the penalty for violation of the Policy in respect of procurement decisions be consistent with the penalty for violation of the rules with respect to communications by vendors during a procurement process under the City’s Procurement Processes Policy. The penalty will be disqualification from the procurement call and/or future calls at the discretion of Council. As in accordance with the Procurement Processes Policy, recommendations with respect to penalizing a vendor found to be in violation of the Policy will be made to Council on a case by case basis.

Development Charges – Discussion of Comments Received and Revisions to Proposed By-law

Committee Recommendations

The Executive Committee recommends that:

1. Council adopt the Development Charge By-law, attached as Appendix 1 to the report (January 19, 2009) from the City Manager and the Acting Deputy City Manager and Chief Financial Officer, subject to:
 - a. the development charge rates being frozen at the existing levels, except for annual indexing as provided for in the proposed by-law, until January 31, 2011; and

- b. the phasing of the increases in development charges as outlined in the by-law commencing from February 1, 2011.
2. For the purpose of complying with the *Development Charges Act, 1997*, Council adopt the City of Toronto 2008 Development Charge Background Study dated October 23, 2008, as revised by the Addendum dated January 13, 2009.
3. For the purpose of complying with the *Development Charges Act, 1997*, Council adopt the growth forecast and the development-related capital forecast and program contained in the Background Study as evidence that Council intends to ensure that the increase in need for service attributable to anticipated development will be met.
4. Council determine that no further public meeting is necessary in order to deal with the modifications made to the development charge by-law following the date of the public meeting, pursuant to section 12 of the *Development Charges Act, 1997*.
5. The City Solicitor in consultation with the Acting Deputy City Manager and Chief Financial Officer be authorized to make such stylistic and technical amendments to the by-law as necessary to give effect to the foregoing recommendations.
6. The report dated October 27, 2008 from the City Manager and the Acting Deputy City Manager and Chief Financial Officer, entitled “Development Charges - Background Study and Proposed By-law”, be received.

Decision Advice and Other Information

The Executive Committee requested the Mayor to establish a Development Industry Working Group to consider the recommendations of the “Building a Sustainable Toronto” organization, and report back to the Executive Committee in 2009; such Working Group to be composed of the Mayor, the Chairs of the Planning and Growth Management Committee, the Economic Development Committee, the Budget Committee, the Acting Deputy City Manager and Chief Financial Officer, the General Manager, Economic Development, the Chief Planner, City Planning, 3 industry representatives, and relevant representatives from Labour organizations.

The Executive Committee on November 10, 2008, held a public meeting to give consideration to a report (October 27, 2008) from the City Manager and the Acting Deputy City Manager and Chief Financial Officer, entitled “Development Charges - Background Study and Proposed By-law”, and in accordance with Section 12 of the Development Charges Act, 1997, an advertisement was placed in the Toronto Star on October 17, 2008, with respect thereto, and notice was also posted on the City’s website.

The Development Charges – Background Study and Proposed By-law, and all related material pertaining to this item which was considered by the Executive Committee on November 10, 2008, was distributed to all Members of Council and select City Officials with the November 10, 2008 Executive Committee agenda, copies of which are available in the City Clerk’s Office, City Hall.

The Addendum to the City of Toronto 2008 Development Charge Background Study dated January 13, 2009, referred to in the report (January 19, 2009) from the City Manager and the Acting Deputy City Manager and Chief Financial Officer was distributed to all Members of Council with the February 2, 2009, Executive Committee agenda, copies of which are available on the City's website and in the City Clerk's Office, City Hall.

Mr. Joe Farag, Director, Special Projects Division, gave a presentation to the Executive Committee respecting the City of Toronto Proposed Development Charge By-law, and filed a copy of his presentation material.

Origin

(January 19, 2009) Report from the City Manager and the Acting Deputy City Manager and Chief Financial Officer

Summary

In accordance with Executive Committee's direction, this report responds to the verbal and written comments submitted at the November 10, 2008 public meeting. Staff have also met with stakeholders including representatives of the Federation of North Toronto Residents' Association (FoNTRA) and the Building Industry and Land Development Association (BILD), and this report responds to their policy and technical issues. Technical revisions, arising primarily through discussions with BILD, have resulted in a reduction of the maximum calculated charges (6.8% for residential and 5.7% for non-residential uses) as set out in an addendum to the Background Study. The studies by the university professors, of the importance of the development industry to the City, mentioned at the public meeting, have not been submitted to staff at the time of preparation of this report.

Staff have attempted to balance the City's revenue needs against the potential impact of a large increase in development charges on the City's long-term economic development and planning objectives. The key changes that have been made to the proposed Development Charges By-law, since the November 10, 2008 public meeting, include the following:

- a discretionary reduction of 10% to the maximum calculated charges in recognition of differing assumptions and approaches to the calculation of the charges;
- a delay in the in-force date of the by-law to May 1, 2009 from February 1, 2009;
- a "freeze" at the current (January 2009) development charge rates until January 31, 2010; and
- the elimination of the requirement for early payment of the "hard services" component of the charges.

8a Development Charges - Background Study and Proposed By-law

Origin

(October 27, 2008) Report from City Manager and the Acting Deputy City Manager and Chief Financial Officer

Summary

The City of Toronto collects development charges from new construction to pay for a portion of municipal growth-related capital costs. The City's existing Development Charge By-law expires on July 27, 2009. A new Development Charge Background Study has been prepared, as required by the *Development Charges Act, 1997*. The purpose of this report is to present the City of Toronto 2008 Development Charge Background Study and the proposed Development Charge By-law for consideration at a statutory public meeting.

The charges calculated in the Background Study are the maximum charges that could be imposed under the *Development Charges Act, 1997*. These represent significant increases over current rates and are the result of expanded capital programs, inflation, legislative changes affecting cost recovery for the Toronto-York Spadina subway extension, refinement of the methodology for calculating the charge, and the inclusion of new services.

Given the recent weakness in the global economy, it was considered inappropriate to introduce a large increase in development charges at this time. Therefore, the phase-in provisions in the proposed by-law contain a freeze in development charges until January 31, 2010, and provide a four-year phase-in of the rest of the allowable increase, only if housing construction meets the thresholds as set out in the by-law

The proposed by-law continues many of the current residential and non-residential exemptions, including exemptions for affordable rental housing and industrial development. Employment uses qualifying under the recently-approved Imagination, Manufacturing, Innovation and Technology Financial Incentives Program are proposed to be eligible for a full exemption. For other non-exempt, non-residential uses, it is proposed that development charges apply to the ground floor area only. In addition, a partial development charge rebate is proposed for developments that meet Tier 2 of the Toronto Green Standard. These and other definitional changes in the proposed by-law are unaffected by the phase-in provisions, which apply only to the level of the charge, and shall be effective from the date that the proposed by-law comes into force.

After the November 10, 2008 statutory public meeting of Executive Committee, staff will report directly to Council on any recommended changes to the proposed Development Charge By-law resulting from public comments and Committee direction.

Development Charge Credit Agreement - 3700 Midland Avenue

Committee Recommendations

The Executive Committee recommends that:

1. Council approve the Development Charge Credit Agreement between Kreadar Enterprises Limited and the City as attached as Appendix 1.
2. Council authorize and direct the appropriate City staff to take necessary action to give effect thereto.

Origin

(January 22, 2009) Report from the Acting Deputy City Manager and Chief Financial Officer and the City Solicitor

Summary

This report responds to Executive Committee's direction to staff to submit a draft Development Charge Credit Agreement recognizing Kreadar's contribution to the construction of Silver Star Boulevard as a fully-serviced collector road.

Based on a detailed review by staff, of the as-built construction costs certified by Kreadar’s engineering consultant, Kreadar can be given \$280,180.84 in development charge credits for works that have been completed in connection with the construction of Silver Star Boulevard. In addition, for works yet to be completed, Kreadar will similarly be given development charge credits, currently estimated at \$74,593.07, as explained in this report. The agreement which details the terms and conditions mutually agreed to by Kreadar and City staff for the provision of the development charge credit is attached to this report. The circumstances surrounding this matter are unique and do not create a policy change nor should these be construed as precedent-setting.

Toronto 2015 Pan American/ParaPan American Games Bid

Committee Recommendations

The Executive Committee recommends that City Council:

1. Approve funding a share of the capital cost of upgrading certain City-owned facilities and roads, as identified in Table 1 contained in the report (January 22, 2009) from the City Manager to bring them up to standard for use as competition and training venues for the 2015 Pan Am Games, up to a maximum City investment of \$12 million.

2. Support the development, at the University of Toronto Scarborough Campus, of a competitive aquatic centre and a multi-sport field house, in partnership with the University of Toronto, the Province of Ontario, the Government of Canada, the Canadian Centre for Sport Ontario and the Canadian Olympic Committee, according to the following principles:
 - a. The City and the University of Toronto will share equally in funding 44 percent of the capital costs required to build the facilities up to a maximum cap on the City’s contribution of \$37.5 million;

 - b. The federal and Provincial Governments will fund the remainder of the capital costs (56 percent) and the Provincial Government will provide a guarantee to fund any capital cost overruns;

 - c. The Organizing Committee for the 2015 Pan Am Games will be responsible for project management, construction and delivery of the facilities;

- d. Land for development of the facilities will be provided by the City and the University in an “as is” condition for nominal consideration;
 - e. Ownership of the facilities, including beneficial rights associated with ownership, will vest with the City or the City and the University jointly;
 - f. The Canadian Sports Institute Ontario will be a tenant in the facility and will support the operating cost of the facility through rental payments that reflect its proportionate share of facility activities;
 - g. General use agreements will be developed as required to provide access to the general community and to the student community;
 - h. Sufficient funding will be provided from the legacy endowment included in the 2015 Pan Am Games operating budget to offset potential operating deficits during post-Games use of the facilities.
3. Request the Deputy City Manager and Chief Financial Officer to report on the details of the 49.5 million (\$2008) in expenditures, including timing and funding source, as part of the 2010 Capital Budget process.
 4. Authorize the City Manager to negotiate, approve and execute, on behalf of the City of Toronto, to the satisfaction of the City Manager and in a form satisfactory to the City Solicitor:
 - a. A Multi-Party Agreement with the Federal Government, Provincial Government, Canadian Olympic Committee (COC), Bid Corporation, other Ontario municipalities, universities and other funding partners, that describes how the parties intend to deliver the Pan American/ParaPan American Games if the Bid is successful, specifies and formalizes the distribution of venues and associated capital works, and sets out and legally binds all of the financial contributors and partners in regard to their capital contributions and benefits; and that such agreement allow for adjustments to the contribution amounts to recognize capital cost inflation; and
 - b. A Host City Agreement with the Canadian Olympic Committee (COC) and the Pan American Sports Association (PASO) that provides the formal commitment to accept the award of the Games, and to host and deliver them in line with PASO statutes and regulations.
 - c. Such supplementary agreements consistent with the obligations of the parties under the Multi-party Agreement and Host City Agreement and with the principles contained in Recommendation 2.
 5. Require that, as a pre-condition to the entering into of the Host City Agreement, the Provincial and federal governments will have entered into legally binding commitments for their respective funding contributions and guarantees and that the City Solicitor be

instructed to ensure that those commitments are legally binding on them and enforceable by the City without qualification, including their status as Crown.

Decision Advice and Other Information

The Executive Committee:

- A. referred the following motion by Councillor Moscoe to the City Manager for consideration and report thereon directly to Council for its meeting scheduled to be held on February 23, 2009, for any necessary clarification with respect thereto:

Moved by Councillor Moscoe:

That the Executive Committee recommend that City Council adopt the recommendations contained in the report (January 22, 2009) from the City Manager subject to adding the following Recommendation 2 i, that:

2. i. City Council support of the Scarborough Campus Sports Facility is contingent upon the execution of a satisfactory agreement with the University of Toronto with regard to:
 - a. ownership of the facility;
 - b. provision of land;
 - c. future operating costs;
 - d. public use of the facility;

and the settlement of other outstanding City/University of Toronto issues as identified by the Mayor and the City Manager.

- B. referred the following motion by Councillor Mihevc to the Office of the Mayor for consideration in the establishment of a Mayor's Bid Advisory Committee:

Moved by Councillor Mihevc:

That the proposed Mayor's Bid Advisory Committee be requested to integrate and articulate "social inclusion" and "sports for all" values and principles in support of the Bid.

The Honourable David Peterson, Chair, Ontario 2015 Pan Am Games Bid Corporation, Ms. Jagoda Pike, President and Chief Operating Officer, Ontario 2015 Pan Am Games Bid Corporation, Mr. Doug Hamilton, Bid Advisor, Sport, Venue, Village and Legacy, gave a presentation to the Executive Committee on the Toronto 2015 Pan American/ParaPan American Games Bid.

Origin

(January 22, 2009) Report from the City Manager

Summary

In December 2008 Council endorsed Toronto's participation in the Bid to host the 2015 Pan Am Games in the City and surrounding Greater Golden Horseshoe region and agreed that Toronto would be named as the Bid City. Since then, the Province's Pan Am Games Bid Corporation (BIDCO) has been continuing discussions with municipal officials and other public and private sector entities concerning venues for the range of events associated with the Pan Am Games. This report updates Council on the venues in Toronto that are under consideration. The report identifies the venues that are owned by the City of Toronto and describes the financial implications for the City of any upgrades to facilities that will be needed to bring them up to standards required for the Pan Am Games. The report seeks Council's support for these investments.

The report also recommends Council's support for the development of a new competitive aquatics centre and sports complex at the University of Toronto's Scarborough Campus. This development will provide a post Pan Am Games infrastructure legacy to Torontonians, the University's students and Ontario's competitive athletics community; is consistent with the City's long-term pools strategy and objectives for investments that will benefit youth in priority neighbourhoods; will contribute to city building by helping to connect the Scarborough campus to the rest of the City; and will reinforce the campus as a destination point for Transit City's Scarborough Malvern LRT line. The report proposes a set of principles to frame the City's contribution to the capital cost of the aquatics and sports complex and the post Games ownership and operation of the facility.

This report seeks authority from Council to enter into a Multi-Party Agreement that identifies the 2015 Pan Am Games venue strategy and all commitments, obligations and benefits for contributors to the Toronto regional Pan Am Games (whether through funding or in-kind support). It also seeks authority to enter into a Host City Agreement that provides the formal commitment to accept the award of the Games, and host and deliver them in line with PASO statutes and regulations

Extension of the Indemnity Policy to Directors of Agencies, Boards and Commissions

Committee Recommendations

The Executive Committee recommends that:

1. Council extend the City's indemnification policy as amended by City Council in July 2008 to directors of those Agencies, Boards, Commissions, Corporations and special purpose bodies included in the City's Errors and Omissions insurance policy as outlined in Attachment A.
2. All future amendments to the indemnification policy, including any future indemnity for Municipal Conflict of Interest apply to those Agencies, Boards, Commissions,

Corporations and special purpose bodies included in the City's Errors and Omissions insurance policy; and

3. The City Solicitor prepare a consolidated version of the City indemnification policy for distribution to the affected Agencies, Boards, Commissions and special purpose bodies.

Decision Advice and Other Information

The Executive Committee referred the following motion to the City Manager for report thereon directly to Council for its meeting scheduled to be held on February 23, 2009:

Moved by Councillor Moscoe:

That the Executive Committee recommend that City Council adopt the recommendations contained in the report (January 16, 2009) from the City Manager subject to adding the following new Recommendation 4.:

- “4. Any discretion exercised in the coverage of any member of staff, Council and Directors of City Boards be at the direction of Council, on the advice of the City Solicitor, and not at the behest of the City Solicitor alone, where the Member of Council, staff or Director of a City Board is in disagreement with the decision of the City Solicitor to withhold coverage.”

Summary

A Code of Conduct exists for City Council Members, staff and City board members. The City's Errors and Omissions insurance covers all three groups. Additional indemnification provided by the City currently only applies to City Councillors and staff and directors of City boards have not yet been included. This report recommends that directors of City boards already having Errors and Omissions coverage provided by the City be extended this additional coverage as well.

Late Applications under the Property Tax Rebate Program for Registered Charities

Committee Recommendations

The Executive Committee recommends that:

1. For property tax rebate applications related to the 2007 taxation year and onward, and provided that the Province of Ontario agrees to cover the cost of the education component of the grant, Council approve a grant program to provide one-time grants to registered charities equivalent to the property tax rebate of 40% of eligible taxes for municipal and school purposes that would have been payable if the rebate application had been received prior to the legislated deadline, under the following circumstances:
 - a. the registered charity has submitted an application to the City for a property tax rebate under the City's Property Tax Rebate Program for Registered Charities (the "Rebate Program") after the deadline of the last day of February of the year following the year in respect of which the application is made but prior to the end of that same calendar year (December 31st);
 - b. but for the lateness of the application, the registered charity is otherwise eligible for a tax rebate under the Rebate Program;
 - c. the applicant has received a rebate in any prior year under the City's Rebate Program for Registered Charities;
 - d. a registered charity is eligible for a grant under this grant program on a one-time and a one-taxation-year only basis, so that any registered charity who received such a grant in respect of a taxation year is no longer eligible to receive additional grants under this grant program in subsequent taxation years;
 - e. all such grants be deemed to be in the interests of the City;
 - f. authority be delegated to the Director of Revenue Services to administer this grant program in accordance with the recommendations herein, and to issue grants to eligible charities; and
 - g. grants provided under this program be funded from the non-program tax deficiency account, with Business Improvement Area (BIA) amounts to be recovered from affected BIAs.
2. The Province of Ontario be requested to:
 - a. Share in the cost of the grants recommended by Recommendation 1 on the same basis as it shares in property tax rebates under the Rebate Program;

- b. Amend the *City of Toronto Act, 2006* (the “Act”) so as to permit the City to set its own application deadlines for tax rebate programs it administers;
 - c. Amend Ontario Regulation 121/07 (the “Regulation”) to allow grants recommended by Recommendation 1 to be deemed to be rebates made under section 329 of the Act for the purposes of sections 8 and 9 of the Regulation;
3. In the event the Province of Ontario does not agree to share in the cost of grants provided on that same basis as it shares in property tax rebates provided under the Rebate Program, Council approve a grant program to provide one-time grants to registered charities equivalent to the municipal portion only (including BIA amounts) of the property tax rebate that would have been payable under the Rebate Program had the rebate application been received prior to the legislated deadline, under the same circumstances identified in Recommendation 1 above.

Housing Opportunities Toronto Update - Setting Toronto’s Affordable Housing Agenda for 2009

Committee Recommendations

The Executive Committee recommends that:

1. The affordable housing priorities for 2009 include the finalization of Toronto’s ten-year affordable housing action plan, securing the renewal of federal/provincial affordable housing programs, contributing to the development of Ontario’s long-term affordable housing strategy and working with our partners to achieve new federal investments and a national housing strategy.

Origin

(January 20, 2009) Report from the Affordable Housing Committee

Summary

In 2008 the City of Toronto took a number of new steps to address the affordable housing needs of the people of Toronto. At the same time, the Affordable Housing Office co-ordinated public consultations on the development of the city’s long term affordable housing plan, Housing Opportunities Toronto (HOT).

HOT is based on the principle that affordable housing is a powerful positive contributor to Toronto’s economy, to its environmental efforts, to the goal of community. Creating and renewing affordable housing will offer significant job creation possibilities in 2009, which is particularly important in the current economic climate.

This report summarizes 2008 affordable housing developments among the three governments as well as the City’s HOT consultations. It also sets out priority actions for 2009.

Completing Affordable Homes with Investments from the Canada-Ontario-Toronto Affordable Housing Program

Committee Recommendations

The Executive Committee recommends that:

1. The Director, Affordable Housing Office, work with the Ministry of Municipal Affairs and Housing to complete AHP investments in Toronto prior to the expiry of the Program on March 31, 2010.
2. Authority be granted to the Director, Affordable Housing Office, to re-allocate any residual AHP Rental and Supportive Component funding to previously approved TCHC developments at 60 Richmond Street East, West Don Lands McCord site, 501 Adelaide Street East and 88-90 Carlton Street, subject to Provincial approval and on terms and conditions satisfactory to the Director, Affordable Housing Office.
3. Authority be granted to the Director, Affordable Housing Office, to re-allocate any further residual AHP funding to either the rental and supportive component and/or the housing allowance component, subject to Provincial approval and on terms and conditions satisfactory to the Director, Affordable Housing Office.

4. Authority be granted to exempt from municipal and school taxes all units of affordable housing located at TCHC projects at 60 Richmond Street East, 88-90 Carlton Street and 501 Adelaide Street East for a period of 25 years from the date of the first occupancy of the buildings.
5. Authority be granted to exempt from municipal and education taxes the affordable housing units in the Regent Park Phase One Revitalization Plan Area, being the units located at 1 Oak Street, 30 Regent Street, and 246-252 Sackville for a period of 25 years from the date of first occupancy of the buildings.
6. Authority be granted to the Director, Affordable Housing Office to work with TCHC to reallocate previously approved TCHC Federal Housing Trust Funds – Delivering Opportunities for Ontario Renters Initiative (DOOR) funds to other TCHC initiatives to maximize available affordable housing opportunities for local residents.
7. The Director, Affordable Housing Office report to Affordable Housing Committee on details of any funding reallocations of previously approved projects.
8. The Director, Affordable Housing Office be authorized and directed to enter into and execute, on behalf of the City, any municipal capital facility agreements, amending agreements or any other documents required, as a result of approval of any of the above recommendations by Council, in a form satisfactory to the City Solicitor.
9. City Council approve Affordable Housing Program Rental and Supportive unit allocations to Toronto Community Housing Corporation in the amount of 26 units at 60 Richmond Street East and 91 units at West Don Lands McCord site as confirmed by the Ministry of Municipal Affairs and Housing on December 29, 2008.
10. Toronto Community Housing Corporation be allocated seventy-six home ownership loans through the Affordable Housing Program and matching funds from the Affordable Housing Program Housing Allowance conversion to be made available to eligible households purchasing new homes as part of the revitalization of Regent Park.

(January 20, 2009) Report from the Affordable Housing Committee

Summary

This report provides a plan to ensure that all federal and provincial funding from the Canada-Ontario-Toronto Affordable Housing Program (AHP) is invested in Council- approved affordable housing initiatives prior to the expiry of the program on March 31, 2010.

City officials are working with Council-approved housing proponents, the Ministry of Municipal Affairs and Housing and Canada Mortgage and Housing Corporation to complete the investments in the rental and supportive, home ownership and housing allowance components of the AHP.

The completion of new rental and supportive developments by Toronto Community Housing Corporation, and other non-profit and private sector proponents will result in the construction of more than 2,000 rental homes and generate some 5,000 person years of employment. These investments contribute to the prosperity of Toronto and Council's goal of creating 1,000 new affordable homes annually.

The report notes that, given current economic uncertainties, some non-profit proponents may have difficulty obtaining mortgage financing and/or completing their development within currently approved budgets. In the event any further assistance is required, such requests will be evaluated on a case-by-case basis and reported to Council for consideration for any additional contingency funding from within existing capital funding sources.

The report also recommends that, in the event a proponent is not able to proceed with a development, their AHP funding be re-deployed to other Council-approved Toronto Community Housing AHP initiatives, including the revitalization of Regent Park. This strategy will help ensure that federal/provincial AHP funding allocated to the City will be fully invested in Toronto to the benefit of Torontonians.

Consistent with Council policy, the report recommends municipal and school property tax exemptions for all affordable units in six previously approved TCHC developments for twenty five years. This results in an increase of property tax exemption from \$5,894,355 to \$9,085,473 as per Appendix B given adjustments for changes in the number of units in projects and extending exemption for some projects from 15 to 25 years.

Summary

This report seeks approval to provide a \$258,266 grant from the Capital Revolving Fund for Affordable Housing to Habitat for Humanity Toronto Inc. (Habitat) to off-set the City's development related fees and charges for the construction of 20 new affordable townhomes for lower-income families at 1500 Weston Road. This grant will reduce the purchase price of each home by an average of \$12,913.

Habitat is an international non-profit, non-denominational Christian organization dedicated to helping lower-income families currently living in substandard housing benefit from affordable home ownership. Habitat Toronto has just celebrated 20th anniversary and has built over 90 homes in the City, with many more planned and under construction.

The City has a history of supporting Habitat's affordable housing building program in Toronto by waiving or reimbursing Development Charges and Planning and Building Permit Fees, and also providing surplus parcels of City lands for Habitat developments. This initiative demonstrates the City of Toronto's continued commitment to work with community based organizations to facilitate the construction of affordable housing and contributes to Council's goal of supporting the creation of 1,000 new affordable homes annually.
