**Re: Sidewalk/Boulevard Café Application #A842684**

Dear Ms. Thornback,

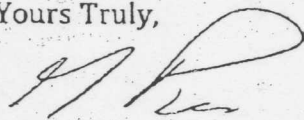

I'm writing to you in regards to my application for a boulevard café permit.

My original application was denied due to an insufficient response rate from a neighborhood poll. Apparently we were only 3 votes shy of approval for this patio permit.

Because we were so close to approval of this patio I would like to appeal the decision to deny such permit.

Should you require anything further from me, I can be reached at the number below.

Yours Truly,
