2230 Lake Shore Boulevard West – Official Plan and Zoning By-law Amendment Application – Final Report

Statutory - Planning Act, RSO 1990

Committee Recommendations

Etobicoke York Community Council recommends that:

1. City Council amend the Official Plan substantially in accordance with the draft Official Plan Amendment attached as Attachment 6.
2. City Council amend the Zoning Code for the former City of Etobicoke substantially in accordance with the Zoning By-law amendments described in this report.
3. City Council authorize the City Solicitor to make such stylistic and technical changes to the draft Official Plan Amendment and draft Zoning By-law Amendment as may be required, in consultation with City Planning, Building Division, and the Toronto and Region Conservation Authority.
4. City Council require the owner to enter into a Section 37 Agreement to secure community benefits as outlined in this report and summarized in Attachment 7, prior to introducing the necessary Bills to City Council for enactment.

Decision Advice and Other Information

The Etobicoke York Community Council held a statutory public meeting on March 26, 2009 and notice was given in accordance with the Planning Act.

Origin

(March 10, 2009) Report from Director, Community Planning, Etobicoke York District

Summary

This application was made on or after January 1, 2007 and is subject to the new provisions of the Planning Act and the City of Toronto Act, 2006.

This application proposes to replace the existing commercial plaza at 2230 Lake Shore Boulevard West with a 133 metre high-rise residential condominium building (approximately 44-storeys) containing approximately 341 condominium and townhouse-style units. The development will consist of four levels of underground parking, a two to 4-storey podium, with retail commercial uses at grade along Lake Shore Boulevard West with office uses above.

The project is consistent with the Provincial Policy Statement's call for accommodation of residential growth in a manner that implements the City's Official Plan.

The point tower and podium design respect the integrity of the existing neighbourhood, create a good public realm, and the landscaped open space on and adjacent to the site contribute to the development.

The proposal is compatible with the scale of other tall residential buildings existing, approved and proposed nearby, including Marina Del Ray, Humber Bay Shores and along Park Lawn Road.

This report reviews and recommends approval of the applications to amend the Official Plan and Zoning By-law.

Study of the North Side of Davenport Road between Alberta Avenue and Winona Drive - Zoning By-law Amendments – Final Report

Statutory - Planning Act, RSO 1990

Committee Recommendations

Etobicoke York Community Council recommends that:

1. City Council amend Zoning By-law No. 438-86 for the former City of Toronto substantially in accordance with the draft Zoning By-law Amendment attached as Attachment No. 5; and

- City Council authorize the City Solicitor to make such stylistic and technical changes to the draft Zoning By-law Amendment as may be required.

Decision Advice and Other Information

The Etobicoke York Community Council held a statutory public meeting on March 26, 2009 and notice was given in accordance with the Planning Act.

Origin

(January 22, 2009) Report from Director, Community Planning, Etobicoke York District

Summary

This City-initiated amendment is subject to the new provisions of the Planning Act and the City of Toronto Act, 2006.

This report presents the findings of a City-initiated study and recommends amendments to the former City of Toronto Zoning By-law No. 438-86 for the properties located in the area north of Davenport Road between Alberta Avenue and Winona Drive.

At the direction of City Council, community planning staff conducted a study of the properties zoned Mixed Use District (MCR) on the north side of Davenport Road between Alberta Avenue and Winona Drive. The purpose of the study was to assess the compatibility of the uses permitted within the MCR zone with the adjacent residential neighbourhood so as to limit nuisances associated with traffic, parking, safety or other adverse impacts.

This study recommends amendments to the boundary of the MCR zone and the range of permitted uses.

- Deferred consideration of the report (March 4, 2009) from the Director, Community Planning, Etobicoke York District to its meeting on April 21, 2009.

Origin

(March 4, 2009) Report from Director, Community Planning, Etobicoke York District

Summary

This application was made on or after January 1, 2007 and is subject to the new provisions of the Planning Act and the City of Toronto Act, 2006.

This application proposes a 16 unit infill development consisting of 2 detached dwellings and 7 pairs of semi-detached dwellings on a new private road at 13 and 15 Elana Drive and on a part of the property at 2970 Jane Street. The existing rental apartment building at 2970 Jane Street is to be retained on a reduced lot. The existing pair of semi-detached dwellings at 13 and 15 Elana Drive are proposed to be removed to accommodate the new private road and one detached dwelling.

This report reviews and recommends refusal of the application in its current form to amend the Zoning By-law and seeks Council's direction for staff to attend the Ontario Municipal Board in opposition to the development should the application be appealed.

Demolition Control Report - 55 Oakfield Drive

Committee Decision

Etobicoke York Community Council:

1. Approved the application to demolish the subject single family dwelling building with the following conditions:
 - a. that a construction fence be erected in accordance with the provisions of the Municipal Code, Chapter 363, Article III, if deemed appropriate by the Chief Building Official;
 - b. that all debris and rubble be removed immediately after demolition;
 - c. that any excavation and open foundations on the property are backfilled with clean fill; and
 - d. that the site be levelled so that there is no water accumulation.

Origin

(March 2, 2009) Report from Director and Deputy Chief Building Official

Summary

On February 5, 2009, Toronto Building received a Demolition Permit application to demolish a One Storey Single Family Dwelling. To this date, Toronto Building has not received any Building Permit applications to replace the building.

In accordance with By-law 1009-2006 (Municipal Code, Chapter 363, Article II), the above noted demolition permit application is submitted to Community Council for consideration and decision due to the fact that a building permit has not been issued to replace the building. When considering this matter Community Council may make one of the following decisions; grant the demolition permit application, refuse the demolition application or grant the demolition with conditions.

66 Trehorne Drive – Private Tree Removal

Decision Advice and Other Information

Etobicoke York Community Council:

1. Deferred the report (February 27, 2009) from the Director, Urban Forestry, Parks, Forestry and Recreation to its meeting on April 21, 2009, for the Ward Councillor to meet on site with the homeowner and City staff.

- Requested the homeowner to provide documentation as to what type of work was done.

Origin

(February 27, 2009) Report from Director, Urban Forestry, Parks, Forestry and Recreation

Summary

The report requests that Council deny the request for removal of one (1) privately-owned tree, located in the front yard of 66 Trehorne Drive. The property owner is concerned that this tree may cause damage to the foundation of the house located on the property.

Inspection of the tree by staff revealed that it is in good condition. Foundation repairs have been carried out at the property. If the repairs included disconnection of the downspouts from the weeping tiles, eliminating water from collecting at the foundation, tree roots currently growing in this location will die and not pose a problem in the future. With proper care and maintenance, the tree should continue to provide benefits to the community for years to come. Urban Forestry cannot support the removal of an existing healthy tree when action can be taken to eliminate the problems that currently exist with the tree and the home on the property.

4187 Dundas Street West and 567, 569 and 571 Prince Edward Drive – Private Tree Removal

Decision Advice and Other Information

Etobicoke York Community Council:

- Deferred indefinitely the report (March 4, 2009) from the Director, Urban Forestry, Parks, Forestry and Recreation.

Origin

(March 4, 2009) Report from Director, Urban Forestry, Parks, Forestry and Recreation

Summary

This report requests that Council confirm the decision of the General Manager of Parks, Forestry and Recreation to deny the request for a permit to remove two (2) privately-owned trees at 4187 Dundas Street West and 567, 569 and 571 Prince Edward Drive (the “Site”).

The applicant originally applied for permits to remove 9 trees, but subsequently requested the deletion of two trees located on the abutting property. By letter dated November 20, 2008, the

General Manager advised that of the remaining 7 trees, 5 could be removed subject to conditions but the General Manager refused to issue a permit to destroy Tree Nos. 4192 and 4193, being a red oak and a horse-chestnut, as: inspection of the trees by staff revealed that both are in good condition and, for the reasons set out below, the General Manager cannot support the removal of these trees.

The applicant has appealed this decision to refuse to issue permits to destroy these two trees to Etobicoke York Community Council.

The applicant had requested the removal of all 9 trees (including the 2 on the abutting property) to permit the construction of a proposed residential building that was the subject of a zoning and site plan appeal to the Ontario Municipal Board (the “OMB”). The OMB has issued a decision allowing the proposed building; and, in appealing the General Managers refusal, the owner stated that:

the above noted decision . . . contradicts decision PL070056 of the Ontario Municipal Board. The decision of the General Manager would not permit the construction of the 7 storey condominium development on site as approved by the Ontario Municipal Board. I believe that the decision of the General Manager cannot ignore and also contradict the decision of the Board

However, City legal counsel, who appeared before the OMB, has advised that he had specifically raised the issue of trees with the OMB member during the hearing, noting that the owner’s witnesses had not identified any trees that may need to be removed and that the owner was not seeking permission from the OMB to remove any trees. City legal counsel had, therefore, specifically asked the presiding OMB member to note that its decision would not prejudice any later decision that may have to be made by the City in the event the owner applied to the City for a permit to remove trees. The presiding Board member agreed with City legal counsel on that point. The decision of the General Manager therefore neither ignores, nor contradicts the Board’s decision.

Chetta Place - Parking Regulation Amendments and Speed Limit Amendment

Committee Decision

Etobicoke York Community Council:

1. Approved enacting a “No Stopping, 8:00 a.m. to 5:00 p.m., Monday to Friday” prohibition on the east and south side of Chetta Place between Dixon Road and the east limit of the road.
2. Approved enacting a 40 km/h speed limit on Chetta Place between Dixon Road and the east limit of the road, as the requirements of the 40 km/h Speed Limit Warrant are achieved.

Origin

(February 11, 2009) Report from Director, Transportation Services - Etobicoke York District

Summary

The purpose of this report is to propose the introduction of a stopping prohibition on the south and east side of Chetta Place, between the hours of 8:00 a.m. and 5:00 p.m., Monday to Friday. This stopping regulation will ensure two-way travel on the road by not allowing motorists to stop during the day on the side of the street opposite Kingsview Village Junior Public School.

In addition, a staff assessment has determined that the criteria for the installation of a 40 km/h speed limit is achieved, in that the findings are consistent with the 40 km/h Speed Limit Warrant on Chetta Place.

Blackfriar Avenue - Parking Regulation Amendments

Committee Decision

Etobicoke York Community Council:

1. Rescinded the “No Parking Anytime” prohibition on both sides of Blackfriar Avenue between Dixon Road and Kingsview Boulevard.
2. Enacted a “No Parking Anytime” prohibition on the east and south side of Blackfriar Avenue between Dixon Road and a point 90 metres north of Dixon Road.
3. Enacted a “No Parking Anytime” prohibition on the east side of Blackfriar Avenue between a point 130 metres north and east of Dixon Road and Kingsview Boulevard.
4. Enacted a “No Parking Anytime” prohibition on the west and north side of Blackfriar Avenue between Dixon Road and a point 255 metres north and east of Dixon Road.
5. Enacted a “No Parking Anytime” prohibition on the west side of Blackfriar Avenue between Bridesburg Drive and Kingsview Boulevard.

Origin

(February 18, 2009) Report from Director, Transportation Services - Etobicoke York District

Summary

The purpose of this report is to propose the removal of a portion of the “No Parking Anytime” prohibition along the south side of Blackfriar Avenue near 15 Blackfriar Avenue and 25 Blackfriar Avenue. By removing this regulation, on-street parking up to the City-wide maximum of three hours will be allowed on one side of the road.

2009 Capital Works Projects – Highway Alteration By-laws and Sidewalk Installations

Committee Recommendations

Etobicoke York Community Council recommends that:

1. City Council approve the alterations and modifications at various locations within the Etobicoke York District, as indicated in Appendix “A”, to the report (March 4, 2009) from the Director, Transportation Services - Etobicoke York District .

Origin

(March 4, 2009) Report from Director, Transportation Services - Etobicoke York District

Summary

The purpose of this report is to recommend the enactment of highway alteration by-laws for the installation of sidewalks and realignments of intersections at various locations in the Etobicoke York District.

The proposed modifications and alterations will be undertaken as part of the 2009 Capital Works Program and will improve traffic operations and enhance pedestrian safety.

Since the Toronto Transit Commission (TTC) operate transit services on these streets, City Council approval of the report is required. TTC staff has been consulted on these matters and concurs.

Westona Street and Braecrest Avenue – Traffic Calming

Decision Advice and Other Information

Etobicoke York Community Council:

1. Deferred consideration of the report (February 17, 2009) from the Director, Transportation Services, Etobicoke York District, to its meeting on May 14, 2009 for the Ward Councillor to meet with area residents.

Origin

(February 17, 2009) Report from Director, Transportation Services - Etobicoke York District

Summary

The purpose of this report is to respond to the direction of Etobicoke York Community Council, at the meeting of September 14, 2004, “that staff re-examine area traffic patterns, volumes and speeds following build-out and occupancy of the seniors’ retirement and housing facility at 2245 Lawrence Avenue West, and that at that time consider alternative traffic management measures including permanent traffic calming devices”.

A temporary directional diverter was installed at the intersection of Westona Street at Braecrest Drive/driveway to the Villages of Humber Heights in 2005 prior to occupancy of the seniors’ retirement facility. As the Villages of Humber Heights facility is now fully occupied, staff conducted follow-up studies with the directional diverter at the intersection.

Now that studies are complete, and as a result of the previous direction of Community Council, and discussions with the area Councillor and Oakwood Retirement Communities Inc., this report seeks authority to undertake another poll to determine if the residents of both 2245 Lawrence Avenue and the area homes, support retaining the directional diverter at this intersection.

1. Approved rescinding the existing parking prohibition that applies between 8:00 a.m. and 5:00 p.m., Monday to Friday on the south side of Hartfield Road from Anglesey Boulevard to The Kingsway.
2. Approved enacting a parking prohibition that applies between 8:00 a.m. and 5:00 p.m., Monday to Friday on the south side of Hartfield Road from The Kingsway to a point 73 metres further west.
3. Approved enacting a parking prohibition that applies between 9:00 a.m. and 11:00 a.m., 1:00 p.m. and 3:00 p.m., Monday to Friday, on the south side of Hartfield Road from a point 73 metres west of The Kingsway to a point 62 metres further west.
4. Approved enacting a Maximum 10 Minute Limit that applies between 8:00 a.m. and 9:00 a.m., 11:00 a.m. and 1:00 a.m., 3:00 p.m. and 5:00 p.m. Monday to Friday, on the south side of Hartfield Road from a point 73 metres west of The Kingsway to a point 62 metres further west.
5. Approved enacting a parking prohibition that applies between 8:00 a.m. and 5:00 p.m., Monday to Friday, on the south side of Hartfield Road from a point 135 metres west of The Kingsway to Anglesey Boulevard.

Origin

(February 19, 2009) Report from Director, Transportation Services - Etobicoke York District

Summary

The purpose of this report is to obtain approval for the installation of a “Maximum 10 Minute Limit” parking regulation on the south side of Hartfield Road along a portion of the frontage of Humber Valley Village Junior Middle School. This regulation will apply between 8:00 a.m. and 9:00 a.m., 11:00 a.m. and 1:00 p.m., and 3:00 p.m. and 5:00p.m. To prevent parking during the off-peak school hours, parking will be prohibited between 9:00 a.m. and 11:00 a.m., and between 1:00 p.m. and 3:00 p.m.

This proposed regulation will give the parents wishing to accompany children into the school an area for short duration parking.

King Street at George Street – Turn Prohibitions

Committee Decision

Etobicoke York Community Council:

1. Approved authorizing the Director, Transportation Services, Etobicoke York District to request Registry Services, City Clerk's to conduct a poll of residents on George Street and Fern Avenue to determine whether residents support eastbound left turn and westbound right turn prohibitions between 8:00 a.m. and 9:00 a.m. and between 3:00 p.m. and 5:30 p.m., Monday to Friday, from King Street to George Street, from September 1 of one year to June 30 of the following year.
2. Approved the installation of turn prohibitions subject to favourable poll results.

Origin

(February 20, 2009) Report from Director, Transportation Services - Etobicoke York District

Summary

The purpose of this report is to respond to a request to prohibit eastbound left turns and westbound right turns from King Street to George Street, during the morning and afternoon peak periods of the school year (buses excepted).

The proposed turn prohibitions will alleviate traffic congestion on King Street and on George Street where two schools are in operation and will provide for a safer environment for all road users.

St. Clair Avenue West, between Old Weston Road and Gunns Road/Old Stock Yards Road – Road Alterations for the St. Clair Avenue West Transit Improvement Project

Committee Recommendations

Etobicoke York Community Council recommends that:

1. City Council authorize the preparation of a by-law for the alteration of St. Clair Avenue West, between Old Weston Road and Gunns Road/Old Stock Yards Road, to allow construction of the Preferred Design Concept identified through the St. Clair Avenue West Transit Improvements Class Environmental Assessment study process. The modifications are generally as shown on Drawing Nos. 421F-9594, 421F-9595, 421F-9596, 421F-9597 and 421F-9598 dated March 2009, include:

- a. Construction of a raised, mountable trackbed in the centre of St. Clair Avenue West, between signalized intersections, with curbs as required, for the exclusive use of public transit vehicles and emergency service vehicles, including Police, Fire, and Emergency Medical Services;
 - b. Widening portions of the pavement up to 2.8 metres, on the north and south sides of St. Clair Avenue West between Old Weston Road and Gunns Road/Old Stock Yards Road; and, widening the pavement up to 7 metres for the section on the south side of St. Clair Avenue West between Old Weston Road to just west of Old Weston Road, generally as shown on Drawing Nos. 421F-9594, 421F-9595, 421F-9596, 421F-9597 and 421F-9598 dated March 2009.
2. City Council authorize the installation of the proposed streetcar loading platforms on St. Clair Avenue West, between Old Weston Road and Gunns Road/Old Stock Yards Road, listed in the attached Appendix “A”.

Decision Advice and Other Information

Etobicoke York Community Council:

1. Requested the General Manager, Transportation Services, to report to the City Council meeting on April 6, 2009 on the traffic study and traffic flow along St. Clair Avenue West, between Keele street and Old Weston Road, and on the construction details of a raised mountable track bed in the centre of St. Clair Avenue West for the exclusive use of public transit vehicles and emergency service vehicles, including police, fire and emergency medical services mainly within the Bridge section which is a bottle neck.
2. Requested that staff from the Transportation Services Division, Toronto Transit Commission and Technical Services meet with affected City Councillors in the area to discuss minor improvements to the Transit project.

Origin

(March 2, 2009) Report from Director, Transportation Services - Etobicoke York District

Summary

Transportation Services is seeking authority to introduce road alteration by-laws on St. Clair Avenue West from Old Weston Road to Gunns Road/Old Stock Yards Road, to allow for the construction and implementation of the St. Clair Avenue West Transit Improvement Project as approved by City Council.

Since the Toronto Transit Commission (TTC) is the operator of the St. Clair Avenue West Transit Route, City Council approval of this report will be required. The Toronto Transit Commission staff has been fully engaged on this project and is supportive of the recommendations contained in this report.

570 Rogers Road – Payment-in-Lieu of Parking

Committee Recommendations

Etobicoke York Community Council recommends that:

1. City Council exempt the applicant at 570 Rogers Road from the former City of York Bylaw 1-83 parking requirement of three parking stalls, subject to a \$7,500.00 payment-in-lieu of parking.
2. City Council require the applicant to sign a Payment-In-Lieu of Parking Agreement with the City, to the satisfaction of the City Solicitor.

Origin

(February 25, 2009) Report from Director, Transportation Services - Etobicoke York District

Summary

This report seeks Council's approval to exempt the applicant from the parking requirement in the former City of York Bylaw 1-83 to provide three additional parking stalls. Instead of accommodating the parking on-site, the applicant has requested a payment-in-lieu of parking in the amount of \$7,500.00 to the City.

The parking exemption is considered appropriate since the shortfall in stalls will not have a significant impact on parking conditions in the area.

Section 40 of the Planning Act grants Council the authority to approve payment-in-lieu of parking. This application has been made pursuant to the City's Payment-In-Lieu Of Parking Policy adopted in July 2004. City Council approval is required as this matter has not been delegated.

2. City Council enact the proposed parking regulations on St. Clair Avenue West, between Caledonia Road/Caledonia Park Road and Winona Drive, listed in Appendix “B” to the report (March 4, 2009) from Director, Transportation Services - Etobicoke York District.

Origin

(March 4, 2009) Report from Director, Transportation Services - Etobicoke York District

Summary

The purpose of this report is to obtain approval to introduce amendments to the parking regulations on St. Clair Avenue West, from Caledonia Road/Caledonia Park Road to Winona Drive.

The proposed parking regulation amendments will serve to improve the safe movement of transit patrons utilizing the St. Clair Avenue West Transit Line, facilitate the safe circulation of general traffic and introduce much needed additional on-street parking spaces for merchants on this section of St. Clair Avenue West.

Since the Toronto Transit Commission (TTC) operates a transit service on St. Clair Avenue West, City Council approval of this report is required. TTC staff has been consulted on the amendments and has not objected to the proposal.

1. City Council designate part or those parts of the private road or roads shown on the site plan filed with the Fire Chief in respect of the municipal addresses set out below as fire routes pursuant to Municipal Code Chapter 880 – Fire Routes:
 - 97 The Queensway
 - 99 The Queensway
 - 101 The Queensway
 - 107 The Queensway
 - 109 The Queensway
 - 111 The Queensway
 - 113 The Queensway
 - 115 The Queensway
 - 117 A The Queensway
 - 117 B The Queensway
 - 119 A The Queensway
 - 119 B The Queensway
 - 8 Windermere Avenue

2. City Council authorise the Fire Chief and City Solicitor to take the appropriate action to make a designated Fire Route.

Origin

(February 24, 2009) Report from Toronto Fire Services

Summary

To obtain Council approval for the amendment of the Fire Route By-law to designate certain locations as fire routes within the meaning of City of Toronto Municipal Code Chapter 880, as amended.

Fire Services uses designated fire routes as a key mechanism in regulating fire prevention, including the prevention of spreading of fires and the delivery of fire protection services.

2077 Lake Shore Boulevard West – Authority to Enter into Agreement**Committee Recommendations**

Etobicoke York Community Council recommends that:

1. City Council authorize the City Clerk and the Chief Financial Officer and Treasurer, or their delegates, to execute on behalf of the City a Section 45(9) Agreement satisfactory to the City Solicitor in consultation with the Director of Community Planning, Etobicoke York District, implementing the conditions imposed by the Committee of Adjustment in approving application A593/07 EYK.

Origin

(March 3, 2009) Report from Director, Community Planning, Etobicoke York District

Summary

City Council approval was granted in April 2006, to permit an 18-storey, 127-unit senior's building integrated with on-site ancillary medical services and communal dining facilities at 2077 Lake Shore Boulevard West in the Humber Bay Shores community. Subsequently, the Committee of Adjustment approved a variance application (A593/07) to allow two additional storeys. Conditional site plan approval was issued on July 18, 2007, and construction is underway.

The purpose of this report is to seek authority from City Council to enter into a Section 45(9) Agreement with the owner of 2077 Lake Shore Boulevard West to implement the conditions imposed by the Committee of Adjustment in its decision on application A 593/07 EYK. The agreement will secure the financial obligations of the applicant toward local area park improvements, and secure the applicant's obligation to permit limited public access to the commercial component of the development.

1968 Bloor Street West – Extension of By-law 341-2008 Exempting the Lands from Part Lot Control – Final Report

Committee Recommendations

Etobicoke York Community Council recommends that:

1. City Council enact a By-law to extend the term of By-law 341-2008 to allow the unsold lots formerly known as 1968 Bloor Street West (Part of Lots 52, 53 and 54 of Registered Plan 660 York, designated as Parts 1, 3 to 18 inclusive on Reference Plan 66R-23550) be exempt from Part Lot Control for an additional one year period substantially in accordance with the draft By-law included as Attachment 2 of this report.
2. City Council authorize the City Solicitor to make such stylistic and technical changes to the draft By-law as may be required.

3. City Council authorize and direct the appropriate City Officials to register the By-law on title.

Origin

(February 23, 2009) Report from Director, Community Planning, Etobicoke York District

Summary

This application was made on or after January 1, 2007 and is subject to the new provisions of the Planning Act and the City of Toronto Act, 2006.

This report recommends that By-law 341-2008 be extended for an additional one year period to allow the unsold lots formerly known as 1968 Bloor Street West to be exempt from Part Lot Control thus allowing additional time for the sale and conveyance of the unsold lots to individual purchasers.

This report reviews and recommends approval of the request.

Liquor Licence Review - 3212 Weston Road, Suzy's Donuts

Committee Recommendations

Etobicoke York Community Council recommends that:

1. City Council direct the City Clerk to advise the Registrar of the Alcohol and Gaming Commission of Ontario (“AGCO”) that the liquor licence application for the premises at 3212 Weston Road, to operate under the name of Suzy’s Donuts (“Premises”), is not in the public interest having regard to the needs and wishes of the residents of the City and that the Registrar should issue a Proposal to Review the liquor licence application.
2. City Council request the AGCO to provide the City with an opportunity to participate in any proceedings with respect to the Premises.
3. City Council authorize the City Solicitor to attend all proceedings before the AGCO in this matter and be directed to take all necessary actions so as to give effect to this Motion, including adding and deleting conditions to any liquor licence issued for the Premises, in consultation with the Ward Councillor, which address issues including, but not limited to, life safety, security personnel, security cameras, lighting, noise and litter.

Origin

(March 26, 2009) Member Motion from Councillor Giorgio Mammoliti

Summary

Delbe Systems and Technology Inc. has submitted an application for a liquor licence to the Alcohol and Gaming Commission of Ontario (“AGCO”) for the premises at 3212 Weston Road, to operate under the name of Suzy’s Donuts (“Premises”). The applicant is seeking a

liquor licence for a capacity of 34 for the main floor and 40 for the basement.

There are concerns expressed by the residents in the community that a liquor licence is being applied for a doughnut shop with a capacity for 74 patrons, 40 of them in the basement. Issues such as life safety, security personnel, security cameras, crowd control, lighting, noise and litter, among other issues, must be addressed. The Registrar of the AGCO should be requested to issue a Proposal to Review the liquor licence application. This application for a liquor licence is not in the public interest having regard to the needs and wishes of the residents of the City unless certain conditions, addressing the concerns of the community, are attached to the licence. Under no circumstance should this applicant be granted a liquor licence without conditions attached.

1500 Weston Road – Zoning and Site Plan Appeals - Directions

Committee Recommendations

Etobicoke York Community Council recommends that:

1. City Council authorize the City Solicitor, and appropriate City staff to, to attend the Ontario Municipal Board hearing in support of the new Site Plan Application, and revised Zoning By-law Amendment, filed by Habitat for Humanity, subject to the form and content of the zoning by-law amendment, the conditions of site plan approval and the timing for the issuance of the OMB order all being to the satisfaction of the Director of Community Planning, Etobicoke York District.

Origin

(March 26, 2009) Member Motion from Councillor Frances Nunziata

Summary

City Council at its meeting on July 25, 26 and 27, 2006, adopted, as amended, Clause 40 of Report 6 of Etobicoke York Community Council, thereby endorsing the Principles of Settlement set out in that report. Based on those Principles of Settlement, the City Solicitor and Planning staff settled at the Ontario Municipal Board the zoning by-law and site plan appeals for a proposed stacked townhouse development at 1500 Weston Road. The Board's order on both the zoning appeal and the site plan approval appeal were withheld by the Board pending the entering into of a Section 37 Agreement and the satisfaction of the conditions of site plan approval. The Board's order has never been issued since the agreement has not been entered into and the site plan conditions have not been satisfied.

On October 31, 2008, the new owner of the lands, Habitat for Humanity, filed a Site Plan

Application showing a new concept and development proposal for the site. Community Planning staff generally support this revised proposal, and will need to present new information to the OMB, to seek modifications to the approval conditions, and implementing zoning by-law, as originally set out by the Board. An appearance before the OMB is being sought for the later part of May, 2009 to settle the revisions to the development and therefore this is a time sensitive matter.
