January 31, 2009

The Taxicab industry is currently suffering with lack of availability of qualified used vehicles and this has resulted in increased of Capital Costs for replacement vehicles.

These problems directly stem from the Municipal Code 545, Section 140, Subsection "K" requirement that replacement vehicles must have a continuous registration in Ontario from the time of its original purchase.

The new type reporting systems CarProof and CARFAX they provide reliable and comprehensive history for any vehicle in North America, with Global Recession and down turn in our economy the Taxi industry needs every help so we can go through these hard times.

We recommend that Municipal Code 545, Section 140, Subsection "K" to be reviewed and amended to remove the Continuous Ontario Registration.

Respectfully,

  
Peter Mandronis
