Re: Item LS20.2

**Vehicle Branding and Continuous Registration of Vehicles in  
Ontario for Use as Toronto Limousines and Taxicabs**

We have read the report by the Executive Director regarding limousines and taxicabs, and ask that the Licensing and Standards Committee accept the recommended Draft Amendments to Toronto Municipal Code, Chapter 545, Licensing.

Specifically;

1. Repealing **545-140K**, regarding the continuous registration of vehicles in Ontario to be used as a taxicab;

With the intended resulting effect of allowing **both** Toronto licensed limousines **and** taxicabs to use vehicles from outside Ontario; and

2. Amending **545-476**, by adding **545-476C**, regarding the prohibition of using vehicles branded as a rebuilt by the Ontario Ministry of Transportation;

With the intended resulting effect of placing the same restriction on both Toronto limousines and taxicabs regarding rebuilt vehicles.

Yours truly,
