Interim Control By-law – Places of Worship in the Parkway-Finch Business Park - Councillor Shiner, seconded by Councillor Feldman

•This Motion relates to an Interim Control By-law. It requires a majority vote to introduce and debate.

Recommendations

Councillor Shiner, seconded by Councillor Feldman, recommends:

1. That City Council adopt the recommendations contained in the report (February 23, 2009) from the Chief Planner and Executive Director, City Planning.

Summary

The zoning by-law for the Parkway-Finch Business Park permits places of worship. Issues have arisen with respect to the compatibility of this use with employment uses and that places of worship discourage and displace potential employment uses. While the new City harmonized zoning by-law is currently underway, the urgency related to the issue of places of worship in the Parkway-Finch Business Park requires that action be taken now.
