

Approved at Authority Meeting #6/09, held on July 24, 2009:

RES.#A112/09 - PRESENTATIONS

Moved by: Glenn De Baeremaeker

Seconded by: Linda Pabst

THAT Toronto and Region Conservation Authority (TRCA) believes that the Rouge Park is of national significance and therefore supports consideration of a National Park model for the Rouge Park governance and financing;

AND FURTHER THAT TRCA requests and encourages the Government of Canada and Province of Ontario to immediately commence a dialogue about their mutual long-term commitments to the Rouge Park and that they consider establishing a Rouge Valley National Park as proposed by the Rouge River Valley National Park Now Committee.
