Re: MM38.5 Notice of Motion regarding 435 Westmoreland Avenue,
Appeal of Committee of Adjustment Decision for Minor Variance
Application A11/09EYK
Moved by Councillor Palacio, seconded by Councillor Nunziata,
Submitted to City Council on August 5, 2009

I was unable to attend the City Council meeting on August 5th due to a personal tragedy in my family. Unfortunately, my staff made an error and submitted the above motion for inclusion on the Council agenda. This was an honest mistake by my staff. The motion should have been submitted to Etobicoke York Community Council instead.

Unfortunately I was not present to explain this mistake and the motion was received for information by City Council.

I am now appealing to the good judgement of Council members and am asking as a courtesy to allow this motion to be reopened. Deputy Mayor Pantalone has agreed to ask leave to have this motion reopened at Council today. I would sincerely appreciate your support to have this item added to our agenda.

Yours sincerely,

Cesar Palacio, Councillor
Ward 17 - Davenport
