

M#**NOTICE OF MOTION****Report Request – Renaming of Jack Evelyn Wiggins Drive**Moved by: **Councillor Perruzza** _____Seconded by: **Councillor** _____**SUMMARY:**

The public street “Jack Evelyn Wiggins Drive”, named by Plan 66M-2439 on June 27, 2007, is a long and somewhat confusing name and does not properly recognize the contributions of Evelyn and Jack Wiggins. It is appropriate that each individual be honoured with separate street names.

This motion requests that Jack Evelyn Wiggins Drive be renamed to Evelyn Wiggins Drive, subject to a poll of affected property owners or residents indicating that a majority are in favour of the name change. If a majority approve of the renaming, it may also be appropriate that Elia Lane be renamed to “Jack Wiggins Lane”, and the public walkway identified as Block 348 on Plan 66M-2439 be named “Elia Lane” as shown on Attachment No.1. The only property owners or residents affected by the proposed changes will be on “Jack Evelyn Wiggins Drive”.

RECOMMENDATIONS:

It is recommended that:

1. The City Surveyor conduct a poll of the property owners and residents affected by the renaming of Jack Evelyn Wiggins Drive, in accordance with the City’s Street Naming Policy;
2. If the poll indicates a majority are in favour of the name change, that the City Surveyor submit a report to NYCC at its meeting on May 14, 2009 requesting that:
 - a. The street named “Jack Evelyn Wiggins Drive” be renamed to “Evelyn Wiggins Drive”;
 - b. The lane named “Elia Lane” by Plan 66M-2439 be renamed to “Jack Wiggins Lane”;
 - c. The walkway identified as Block 348 on Plan 66M-2439 be named “Elia Lane”;
and
 - d. The appropriate City officials take the necessary action to give effect thereto.
