<b>Date:</b>	May 22, 2009
<b>To:</b>	North York Community Council
<b>From:</b>	Director, Transportation Services Division, North York District
<b>Wards:</b>	<b>Ward 26 – Don Valley West</b>
<b>Reference Number:</b>	<i>ny09037</i>

### **SUMMARY**

---

This staff report is about a matter that the Community Council has delegated authority to make a final decision, provided that it is not amended so that it varies with the City policy or by-laws.

To obtain approval to prohibit parking at anytime on the south side of Cameron Crescent, from Donegall Drive to MacNaughton Road.

The implementation of the parking prohibitions will address the residents' concerns regarding vehicles continually parked on the south side of Cameron Crescent, between Donegall Drive and MacNaughton Road.

### **RECOMMENDATIONS**

---

Transportation Services Division recommends that North York Community Council:

1. Prohibit parking at anytime on the south side of Cameron Crescent from Donegall Drive to MacNaughton Road.

### **FINANCIAL IMPACT**

All costs associated with the installation of the parking regulations are included within the Transportation Services Division, North York District's 2009 Operating Budget.

### **ISSUE BACKGROUND**

The Transportation Services Division, North York District, was requested by Councillor John Parker, on behalf of residents of Cameron Crescent, to amend the current parking regulations on the south side from Donegall Drive to MacNaughton Road.

## **COMMENTS**

Currently, parking is permitted for a maximum period of three hours on both sides of the entire stretch of Cameron Crescent from the east limit of Donegall Drive to the northerly limit of Cameron Crescent.

Cameron Crescent is classified as a local roadway with a posted speed limit of 40 km/h and a roadway width of 8.5 metres. All of the properties along this section of roadway are single family dwellings.

Our observations have confirmed that vehicles are continually parked on the south side of Cameron Crescent, between Donegall Drive and MacNaughton Road. Vehicles parking on Cameron Crescent in this area restrict the safe and efficient flow of two-way traffic and also restrict the view of motorists accessing Cameron Crescent from MacNaughton Road.

A review of the Toronto Police Service's collision records for the five year period ending March 31, 2009 revealed a total of three collisions on Cameron Crescent between Donegall Drive and MacNaughton Road. All three of the subject collisions involved a parked vehicle.

Implementing the 'No Parking, Any time' regulation on the south side of Cameron Crescent between Donegall Drive to MacNaughton Road, would promote safe and efficient two-way traffic operations as well as improve sight-line visibility for turning traffic.

Councillor John Parker has been advised and supports the recommendations in this staff report.
