

Parking Prohibitions: Chateau Court

Date:	August 19, 2009
To:	North York Community Council
From:	Director, Transportation Services Division, North York District
Wards:	Ward 9 – York Centre
Reference Number:	<i>ny09058</i>

SUMMARY

This staff report is about a matter that the Community Council has delegated authority to make a final decision, provided that it is not amended so that it varies with the City policy or by-laws.

To obtain approval to prohibit parking at anytime on the east side of Chateau Court.

The implementation of the parking prohibitions will address the residents' concern regarding vehicles continually parked on both sides of Chateau Court, between Glitspur Drive and the turning basin.

RECOMMENDATIONS

Transportation Services Division recommends that North York Community Council:

1. Amend Schedule VIII of By-law No. 31001, of the former City of North York to prohibit parking at any time on the east side of Chateau Court from Glitspur Drive to the southerly limit of Chateau Court

FINANCIAL IMPACT

All costs associated with the installation of the parking regulations are included within the Transportation Services Division's 2009 Operating Budget estimates.

ISSUE BACKGROUND

Transportation Services Division, North York District, was requested by Councillor Maria Augimeri, on behalf of residents of Chateau Court, to prohibit parking on the east side of Chateau Court from Giltspur Drive to the turning basis.

COMMENTS

Residents of Chateau Court have signed a petition requesting that parking be prohibited on one side of the roadway.

Currently, parking is permitted for a period of three hours on both sides of Chateau Court from Giltspur Drive to the southerly limit of Chateau Court. Chateau Court is classified as a local roadway with a regulatory speed limit of 50 km/h and a roadway width of 8.5 metres. Chateau Court is comprised of a total of 17 single family dwelling units.

Staff observations have confirmed that vehicles are continually parked on both sides of Chateau Court from Giltspur Drive to the southerly limit of Chateau Court. Vehicles parking on Chateau Court restrict the safe and efficient flow of two-way traffic and at times block driveways restricting proper access and egress manoeuvres from the residential driveways.

A review of the Toronto Police Service's collision records for the five year period ending March 31, 2009 revealed no collisions on Chateau Court between Giltspur Drive to the southerly limit of Chateau Court.

Implementing the 'No Parking, Any time' regulation on the east side of Chateau Court from Giltspur Drive to the southerly limit of Chateau Court, would promote safe and efficient two-way traffic operations as well as improve sight-line visibility for turning traffic

Councillor Maria Augimeri has been advised of the recommendations in this staff report.
