

NOTICE OF MOTION**Curb Cut for Driveway Widening at 71 Letchworth Crescent****Moved by:** **Councillor Augimeri**

SUMMARY:

The resident of 71 Letchworth Crescent has obtained a permit to re-pave his interlock driveway. The driveway and ramp presently serving this property is 6.0 metres wide. The resident would like to widen the existing 6.0 metre wide curb cut an additional 0.60 metres (2 feet) over the maximum allowed driveway ramp opening specified in the North York Driveway and Entrance Policy. The length of curb requested to be removed has also been badly damaged by a snow plow last year.

RECOMMENDATIONS:

1. That a variance from the North York Driveway and Entrance Policy be approved authorizing a 0.6 metre extension of the driveway opening beyond the maximum 6.0 metre ramp opening at 71 Letchworth Cres.
