

Notice of Motion

Request for an exemption from former Borough of East York
Municipal Code - To permit encroaching landscape features at 45
Parklea Drive.

Moved by: Councillor John Parker _____

Summary:

This motion is about a matter for which the Community Council has delegated authority from City Council to make a final decision.

At its meeting of October 13, 2008, North York Community Council did not approve part 2 of item NY28.14 “The appeal to maintain the encroaching sprinkler system and light post with an outlet at 45 Parklea Drive be denied as they are not permitted encroachments.”

Notwithstanding the recommendations of Transportation Services Staff in the attached staff report, I would like to ask Council to reconsider its decision of October 13th, to allow the resident to enter into an encroachment agreement to allow the described encroachments along with the previously approved encroaching landscape wall.

REQUIRES RE-OPENING (2/3rds vote):

Recommendation 2. of North York Community Council Item NY28.14 adopted by North York Community Council on October 13, 2009.

RECOMMENDATIONS:

That Recommendation 2. of North York Community Council Item NY28.14 be replaced with the following Recommendation:

2. The appeal to maintain the encroaching sprinkler system and light post with an outlet at 45 Parklea Drive be permitted.

November 10, 2009.
