Chair and Members
Toronto Preservation Board
Toronto City Hall
100 Queen Street West
Toronto, ON M5H 2N2

Dear Chair and members,

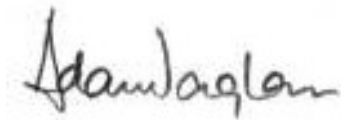

Item PB28.1 on the October 22, 2009 meeting agenda is the long awaited Designation of the Harbord Village Heritage Conservation District, Phase 2 under Part V of the Ontario Heritage Act.

This matter is of great interest to me both as a Preservation Board member and as the local Councillor for Ward 20 which includes Harbord Village.

Unfortunately, I have a commitment with the Toronto Police Services Board that prevents me from attending the Preservation Board meeting any earlier than 4:00 pm. I hope that the board could please consider timing this item for 4:00pm to allow my participation in the discussion and deliberation.

Your consideration is greatly appreciated.

Sincerely,

Adam Vaughan
