Re: PB29.4 - Kingswood Road South Heritage Conservation District –
Beaches-East York, Ward 32

SANDRA BUSSIN

City Councillor
Ward 32
Beaches - East York

Dear Chair and Members of the Toronto Preservation Board:

I am writing to respectfully request that Recommendation #3 of the Staff Report regarding the Kingswood Road South Heritage Conservation District be struck out.

This is a new recommendation made by Preservation Services staff which does not coincide with my understanding or the understanding of Kingswood South residents as to what was voted on with regard to the issue of 'Contributing Building Demolition'.

An absolute prohibition on demolition of contributing buildings is not what the community voted for. The community strongly feels, as I do, that there must be room for discretion on determining whether or not a contributing building merits demolition or preservation, should the issue arise.

Thank you for your consideration of my request.

Sincerely yours,

Councillor Sandra Bussin,
