
Planning and Growth Management Committee

Meeting No.	23	Contact	Merle MacDonald, Committee Administrator
Meeting Date	Wednesday, February 4, 2009	Phone	416-392-7340
Start Time	9:30 AM	E-mail	pgmc@toronto.ca
Location	Committee Room 1, City Hall	Chair	Councillor Norman Kelly

Planning and Growth Management Committee		
Councillor Norman Kelly (Chair) Councillor Peter Milczyn (Vice-Chair)	Councillor Frank Di Giorgio Councillor John Filion	Councillor Michael Thompson Councillor Adam Vaughan

Members of Council and Staff: Please keep this agenda and the accompanying material until the City Council meeting dealing with these matters has ended. **The City Clerk's Office will not provide additional copies.**

Special Assistance for Members of the Public: City staff can arrange for special assistance with some advance notice. If you need special assistance, please call 416-392-5227, TTY 416-338-0889 or e-mail pgmc@toronto.ca.

Closed Meeting Requirements: If the Planning and Growth Management Committee wants to meet in closed session (privately), a member of the committee must make a motion to do so and give the reason why the Committee has to meet privately. (City of Toronto Act, 2006)

Notice to people writing or making presentations to the Planning and Growth Management Committee: The City of Toronto Act, 2006 and the City of Toronto Municipal Code authorize the City of Toronto to collect any personal information in your communication or presentation to City Council or its committees.

The City collects this information to enable it to make informed decisions on the relevant issue(s). If you are submitting letters, faxes, e-mails, presentations or other communications to the City, you should be aware that your name and the fact that you communicated with the City will become part of the public record and will appear on the City's website. The City will also make your communication and any personal information in it – such as your postal address, telephone number or e-mail address – available to the public, unless you expressly request the City to remove it.

The City videotapes committee and community council meetings. If you make a presentation to a committee or community council, the City will be videotaping you and City staff may make the video tapes available to the public.

If you want to learn more about why and how the City collects your information, write to the City Clerk's Office, City Hall, 100 Queen Street West, Toronto ON M5H 2N2 or by calling 416-392-7340.

City-Initiated Official Plan and Zoning By-law Amendments, Yonge-Eglinton Centre Focused Review - Final Report*Statutory - Planning Act, RSO 1990***Origin**

(January 5, 2009) Report from Chief Planner and Executive Director, City Planning

Recommendations

The City Planning Division recommends that:

1. City Council amend the Official Plan and the Yonge-Eglinton Secondary Plan substantially in accordance with the draft official plan amendment submitted with this report as Attachment 1.
2. City Council amend By-law No. 438-86 for the southwest quadrant of the Yonge and Eglinton intersection substantially in accordance with the draft zoning by-law amendment submitted with this report as Attachment 2.
3. City Council authorize the City Solicitor to make such stylistic and technical changes to the draft zoning by-law amendments as may be required.
4. City Council adopt the Yonge-Eglinton Centre Urban Design Guidelines shown in Attachment 3.
5. City Council adopt a By-law to amend Schedule 1 of the City-wide Community Improvement Plan for Brownfield Remediation and Development of Prescribed Employment Uses (By-law 516-2008) by including the Yonge-Eglinton Centre as an area eligible for financial incentives for major office buildings, as shown in Attachment 4.
6. City Council direct the General Manager of Parks, Forestry and Recreation, in consultation with TTC, Facilities and Real Estate, City Planning staff, and the local councillors for Wards 22, 16 and 25, to report back to City Council in the third quarter of 2009 with an implementation strategy and possible funding sources for the proposed public park within the southwest quadrant of the Yonge-Eglinton intersection.
7. City Council direct the Chief Planner and Executive Director in consultation with the General Managers of Transportation Services and Economic Development, Culture and Tourism, Urban Forestry and TTC staff to prepare a Streetscape Plan focused on the

Yonge-Eglinton intersection, in consultation with the local councillors for Wards 22, 16 and 25, and report back to City Council with a strategy to implement the Streetscape Plan together with estimated costs and possible funding sources, including partnerships with the private sector.

8. City Council direct Transportation Services, the Co-ordinated Street Furniture Program to consider Yonge-Eglinton as a priority area for the placement of street furniture in Wards 22, 16, and 25, in coordination with Recommendation 7.
9. City Council direct planning staff to undertake consultations with the local community, in consultation with Councillors for Wards 22, 16, and 25, with regards to the Yonge-Eglinton Urban Growth Centre (UGC) in the Provincial Growth Plan for the Greater Golden Horseshoe, 2006, and report back on the results of the consultations and any amendments necessary to bring the Official Plan in conformity to the provincial Growth Plan.

Summary

These City-initiated official plan and zoning by-law amendments are subject to the new provisions of the Planning Act and the City of Toronto Act, 2006.

This report recommends approval of amendments to the Official Plan, Yonge-Eglinton Secondary Plan, and By-law No. 438-86 to implement the results of the Yonge-Eglinton Centre Focused Review as shown in Attachments 1 and 2. The report also recommends adoption of Urban Design Guidelines and outlines implementation strategies to achieve, over time the revitalization of Yonge-Eglinton Centre with a particular emphasis on Mixed Use Area 'A' focused on the intersection of Yonge and Eglinton.

The recommendations contained in this report are the result of several years of consultation and collaboration with the local community, TTC, landowners, and other stakeholders.

As one of the City's four Centres, Yonge-Eglinton is a place with excellent transit accessibility where jobs, housing and services are concentrated in a dynamic mixed use setting. The Vision contained in this report sets out local goals and a development framework and recommends policies to promote a vibrant transit-based mixed use Centre which is compatible with surrounding established residential neighbourhoods.

This report recommends Schedule 1 of the City-Wide Community Improvement Plan be amended to include the Yonge-Eglinton Centre as an area eligible for financial incentives for major office buildings.

This report also recommends that planning staff be directed to undertake consultations with the local community with regards to the Yonge-Eglinton Urban Growth Centre (UGC) in the Provincial Growth Plan for the Greater Golden Horseshoe, 2006, and report back on the results of the consultations and any amendments necessary to bring the Official Plan in conformity with the provincial Growth Plan which stipulates in Policy 2.2.4.3 that "Municipalities will delineate the boundaries of urban growth centres in their official plans."

The proposed initiatives contained within this report support Council's focus on investment in quality of life, the desire to link public initiatives with private investment in order to stimulate

employment and high quality development, and the need to strategically create opportunities that will act as catalysts to achieving the desired objectives for this transit-supportive area.

The implementation of the recommendations contained in this report set the stage for City building and economic revitalization at Yonge-Eglinton, including opportunities for investment in public transit infrastructure, major office space and employment, promoting sustainable green development on the under-utilized Eglinton TTC bus terminal lands, and improving the public realm and local amenities.

Financial Impact

The recommendations in this report have no financial impact.

3101 Kennedy Road – Zoning Application – Refusal Report

Origin

(January 20, 2009) Report from Chief Planner and Executive Director, City Planning

Recommendations

The City Planning Division recommends that:

1. City Council refuse the application in its current form as the proposal does not conform to the Official Plan, conflicts and does not conform with the Growth Plan for the Greater Golden Horseshoe and is inconsistent with the Provincial Policy Statement.
2. Should the applicant wish to reconsider the retail and service use components of their proposal, City staff and the applicant work together on a rezoning proposal which would conform and be consistent with the Official Plan and the Growth Plan and be consistent with the Provincial Policy Statement.

Summary

This application was made on or after January 1, 2007 and is subject to the new provisions of the Planning Act and the City of Toronto Act, 2006.

This application proposes to amend the existing industrial zoning of the site to expand the range of permitted uses to include retail stores, restaurants, personal service shops, libraries, financial institutions and medical and dental offices. The uses would be contained within three proposed separate single storey buildings with 229 parking spaces at grade at 3101 Kennedy Road.

The proposal to permit a commercial shopping centre in an employment area does not conform to the Toronto Official Plan and the Province's Growth Plan for the Greater Golden Horseshoe. This report recommends refusal of the proposal in its current form. The broad range of retail and service uses requested would require an official plan amendment. Approval of the application without first undertaking a municipal comprehensive review which addresses the policies and conversion criteria of the Growth Plan would be contrary to the Places to Grow Act 2005 which requires that all municipal planning decisions conform, or not conflict with the Growth Plan.

Financial Impact

The recommendations in this report have no financial impact.

The Toronto Public Art Commission – New Members

Confidential Attachment - Personal matters about an identifiable individual, including municipal or local board employees

Origin

(January 9, 2009) Report from Chief Planner and Executive Director, City Planning

Recommendations

The City Planning Division recommends that:

1. City Council approve the recommended new members for the Toronto Public Art Commission outlined in Attachment 1 of the report.
2. City Council approve the public release of the confidential information in Attachment 1.

Summary

The purpose of this report is to seek approval of new citizen volunteers to serve on the Toronto Public Art Commission. These individuals were nominated through a selection process as outlined in this report. In addition to current nominations, a reserve list of potential members was prepared, in the event one or more of the members may wish to step down from Toronto Public Art Commission during the current term of City Council.

The Toronto Public Art Commission provides valuable independent advice to City Planning and City Council in the review, identification and commissioning of public art in the public realm. The Toronto Public Art Commission advises on the City Planning's "Percent for Public Art Program", public art policies and guidelines whenever needed. When public art is secured through development approval, part of the subsequent process includes input from the Toronto Public Art Commission.

Financial Impact

There are no financial implications resulting from the recommendations of this report.

Official Plan Conformity to the Growth Plan

Origin

(January 14, 2009) Report from Chief Planner and Executive Director, City Planning

Recommendations

The City Planning Division recommends that:

1. Notice for the public meeting under the Planning Act be given in accordance with the regulations under the Planning Act.
2. Staff schedule consultation meetings with interested parties to obtain their comments on the proposed amendment.
3. The appropriate City officials be authorized and directed to take the necessary action to give effect thereto.

Summary

On June 16, 2006 the Provincial Growth Plan for the Greater Golden Horseshoe came into effect under the authority of the Places to Grow Act, 2005 (the Act).

The Growth Plan provides growth management policy direction and its underlying legislation requires that all decisions by planning authorities within the Greater Golden Horseshoe (GGH) conform to the policies and intent of the Growth Plan. The extent of the Greater Golden Horseshoe is shown on the accompanying map.

Municipal official plans are considered by the Province to play a key role in the implementation of the Growth Plan's objectives and as such requires GGH municipalities to bring their respective Official Plans into complete conformity with the Growth Plan by June 2009.

Over the past eighteen months, City Planning staff in consultation with staff from the Ministry of Energy and Infrastructure (formerly the Ministry of Public Infrastructure Renewal) has been reviewing the Official Plan's conformity to the Growth Plan. The result of this work, along with relevant background materials, was submitted to the Province for its consideration in late 2007.

The Province completed its review of the submitted materials in the 3rd quarter of 2008 and has officially informed the City that on the whole the Official Plan generally conforms to the Growth Plan (Attachment 1). In particular the Province acknowledged our efforts in protecting employment areas, focusing intensification in intensification areas, building complete communities and creating transit-supportive neighbourhoods. They did note, however, that additional work within a few key policy areas would be required in order to reinforce the Official Plan's conformity with the Growth Plan. Those policy areas are:

1. Recognition of the Growth Plan's population and employment projections for the City of Toronto;
2. Inclusion of minimum density targets for the Official Plan's Centres identified as Urban Growth Centres in the Growth Plan; and
3. Enhanced protection of the City's stock of employment lands from conversion to non-employment uses by amending Policy 4 of Official Plan Section 4.6 – Employment Areas.

Discussion of these Provincial requirements and an outline describing City Planning staff's proposed actions are contained within this report.

Financial Impact

There are no financial implications.

An Evaluation of a Free Residential Home Plumbing Inspection Program

Origin

(January 19, 2009) Report from General Manager, Toronto Water

Summary

The Planning and Growth Management Committee requested that the General Manager, Toronto Water, in consultation with the Chief Building Official, report to the Committee on the costs of a free home plumbing inspection program for residential owners engaged in minor home plumbing projects. This report outlines that there is no evidence that the cost of obtaining a building permit has any effect on minimizing the number of cross connections of sanitary flows to storm sewers. Moreover, within the Ontario Building Code Act and City of Toronto Act, there are legal limitations to providing free plumbing permits. The continued monitoring of the storm outfalls by Toronto Water is still the most appropriate and effective method of locating and minimizing cross connections.

Financial Impact

There is no financial impact to Toronto Building if the City does not proceed with a program to waive building permit fees for minor residential plumbing projects.

The Deputy City Manager and Chief Financial Officer has reviewed this report and agrees with the financial impact information.
