Update and Revisions to the Toronto Green Standard: Performance Measures for Sustainable Development

Committee Recommendations

The Planning and Growth Management Committee recommends that:

1. City Council adopt the revised two-tiered set of performance measures associated with the Toronto Green Standard as presented in Appendix A of the report (September 22, 2009) from the Chief Planner and Executive Director, City Planning Division, to be applied to all applications under the Planning Act.

Origin

(September 22, 2009) Report from Chief Planner and Executive Director, City Planning

Summary

The purpose of this report is to provide a review of proposed revisions to the Toronto Green Standard prior to its launch January 31, 2010. Revisions proposed in this report reflect additional feedback from the development industry; City By-laws adopted since the approval of the TGS in 2008 and further review and analysis undertaken during the development of the implementation protocol.
