RE: Request for the inclusion of Langside Avenue in the Mechanical Leaf Collection program

Langside Avenue, located in Ward 11, is not part of the Mechanical Leaf Collection program for 2008-2009. My office has received a number of calls from residents on Langside Avenue, requesting that this street be added to the Mechanical Leaf Collection program for 2009.

I am requesting that your committee please direct the General Manager of Transportation Services to assess whether Langside Avenue is eligible to be part of the Mechanical Leaf Collection program for 2009 and onward, and that the General Manager report back on this feasibility in early 2009.

I look forward to your positive response.

Yours sincerely,
