From: Scarborough Community Council

Subject: Snow Clearing Update
(Wards 35, 36, 37, 38, 39, 40, 41, 42, 43, 44)

Recommendations:

The Scarborough Community Council:

- 1. Recommended that the Public Works and Infrastructure Committee request the General Manager, Transportation Services, to study and report on the desirability, legality and impacts of implementing a Scarborough-wide and/or City-wide parking ban during the winter that is consistent with current snow clearing and removal operations, while respecting existing long-term on street parking and policies.**

Action taken by the Community Council:

Scarborough Community Council also requested the Director, Transportation Services, Scarborough District, to provide the Scarborough Community Council with an update on snow clearing.

Background:

The Scarborough Community Council on January 13, 2009, considered a Motion from Councillor De Baeremaeker requesting staff to submit a report regarding snow clearing and overnight street parking policies.

City Clerk.
