

CONDOLENCE MOTION

Moved by: Councillor Thompson

Seconded by: Councillor Heaps

The Mayor and Members of Toronto City Council are deeply saddened to learn of the passing of Lori Christine Walker on April 6, 2009.

Lori Walker was a well known and admired person in the Birkdale community. As a long time resident in the Birkdale Community, Lori spent many hours volunteering with various community organizations, activities and initiatives such as Birkdale Woman's Shelter, Edgewood Public School, Birkdale Ravine and youth basketball.

In addition, to being busy with the various activities Lori very much enjoyed taking her faithful companion Nash for daily walks through the Birkdale Ravine to enjoy nature's beauty and the serene environment.

Lori Walker's cheerful personality, commitment and perseverance will be missed.

The City Clerk is requested to convey, on behalf of the Members of Toronto City Council, our sincere sympathy to Lori's beloved children, Carly and Holly and husband, Ivor.
