

CONDOLENCE MOTION

Moved by: Councillor Shiner

Seconded by: Councillor Fletcher

The Mayor and Members of Toronto City Council are deeply saddened to learn of the passing of Kenneth Wood on September 15, 2009.

Kenneth Wood, his wife Maisie and his daughter Karen immigrated to Toronto from England in 1975.

Kenneth Wood was a humble gentleman, whose enthusiasm and love of people extended to everyone he met. He volunteered at the United Way, TV Ontario and his church, helping wherever he could. He was a great inspiration to his co-workers and a mentor and father figure to a great many young people.

The City Clerk is requested to convey, on behalf of the Members of Toronto City Council, our sincere sympathy to Kenneth Wood's family.
