

CONDOLENCE MOTION

Moved by: Deputy Mayor Pantalone

Seconded by: Mayor Miller

The Mayor and Members of Toronto City Council are deeply saddened to learn of the passing of Mr. Romeo Tracogna on September 25, 2009.

Mr. Tracogna was the father of Mr. John Tracogna, former City employee who is presently the General Manager of Ontario Place.

Mr. Tracogna, like the majority of Toronto residents, immigrated to Toronto and has greatly enriched our community through his presence and actions and was a proud member of the Carpenters Union, a tradition continued by his son Walter.

The City Clerk is requested to convey, on behalf of the Members of Toronto City Council, our sincere sympathy to the Tracogna family.
