**Re: Permit Application No.: 08 202115  
2661 Kingston Road, Toronto**

Dear Cesar,

Priestly Demolition Inc. applied to demolish a dwelling at the above noted address on September 10, 2008 on behalf of St. Augustine's Seminary of Toronto.

The dwelling was formerly used as a summertime weekend retreat for priests, but has not been used in that capacity for over ten years. It has been vacant since that time.

The Seminary wishes to demolish the structure and not rebuild or replace it as the dwelling is not required and is burdening the Seminary with security and maintenance costs. The Seminary is also concerned the structure could be subject to vandalism, as this dwelling is located away from the main structures.

Trusting all is in order, please do not hesitate to contact the undersigned should you require any further information.

Regards,

Ingrid Engman
