

**STAFF REPORT
ACTION REQUIRED**

**Rescind No Parking Anytime Regulation –
Bamburgh Circle Abutting Terry Fox Park**

Date:	January 20, 2009
To:	Scarborough Community Council
From:	Director, Transportation Services, Scarborough District
Wards:	Ward 39 – Scarborough Agincourt
Reference Number:	P:\2008\Cluster B\TRA\Scarborough\sc09009 D08-2968768 Bamburgh Circle No Parking Rescind

SUMMARY

This staff report is about a matter for which the Community Council has delegated authority from City Council to make a final decision.

The purpose of this report is to advise on a request to rescind the current No Parking Anytime prohibition along Bamburgh Circle abutting Terry Fox Park.

RECOMMENDATIONS

Transportation Services, Scarborough District, recommends that Scarborough Community Council:

1. Rescind the “No Parking” regulation, as identified in Appendix 1 of this report.
2. Adopt the “No Parking” regulations, as identified in Appendix 2 of this report.
3. Pass or amend the appropriate by-law(s) accordingly.

Financial Impact

The financial cost of installing the recommended nightly parking prohibition signs is approximately \$2500.00. The funding for these signs is available in the Transportation Services 2008 Operating Budget, within Cost Centre TP0397.

ISSUE BACKGROUND

Historically, the entire circuit of Bamburgh Circle has had a No Parking Anytime regulation since 1987. At the request of Councillor Mike Del Grande, staff were requested to study allowing parking on the east side of Bamburgh Circle where it abuts Terry Fox Park and part-way along the Bamburgh Circle flankage of Dr. Norman Bethune Collegiate Institute. This would provide short-term on-street parking for park visitors up to three hours, as the park itself has no dedicated off-street parking available.

COMMENTS

There is no safety hazard associated with allowing this casual parking, which would still be subject to the three-hour maximum parking regulation under the Uniform Traffic By-Law. However, as the park is closed at night, a nightly parking prohibition is being recommended to prevent overnight parking issues.
