

STAFF REPORT ACTION REQUIRED

Proposed Minor Street Stop Signs in the Area of Brenyon Way at John Tabor Trail

Date:	March 25, 2009
To:	Scarborough Community Council
From:	Acting Director, Transportation Services, Scarborough District
Wards:	Ward 42 – Scarborough-Rouge River
Reference Number:	P:\2009\Cluster B\TRA\Scarborough\sc09027 D08-2836274 (D07-1335) John Tabor compulsory stops

SUMMARY

This staff report is about a matter for which the Community Council has delegated authority from City Council to make a final decision.

Transportation Services staff have reviewed the installation of minor street stop signs at the following two uncontrolled three-way intersections: Wayford Crescent at Warwick Castle Court and Scotney Grove at Foregate Avenue.

It is recommended that minor street stop signs be installed at the two subject uncontrolled three-way intersections to clearly define the right-of-way and to regulate traffic flow.

RECOMMENDATIONS

Transportation Services, Scarborough District, recommends that Scarborough Community Council:

1. Adopt the “Compulsory Stops” regulations, as identified in the Appendix 1 of this report.
2. Amend the appropriate by-law(s) accordingly.

Financial Impact

The financial cost of installing the minor street Stop signs in the area is approximately \$2,000.00. The funding for the signs is available in the Transportation Services 2009 Operating Budget, within Cost Centre TP0397.

ISSUE BACKGROUND

As part of another study in the area, Transportation Services staff reviewed the need for minor street stop signs in this neighbourhood.

Staff identified two uncontrolled three-way intersections in the immediate area. Accordingly, to provide stop sign uniformity and to encourage motorists to stop before the sidewalk to enhance pedestrian safety, minor street stop signs are recommended at the following two locations:

1. Wayford Crescent and Warwick Castle Court
2. Scotney Grove and Foregate Avenue

When installed, the subject two stop signs will help to clarify road right-of-way, regulate traffic flow and enhance public safety.
