Councillor Mike Del Grande
Chair, Scarborough Community Council
100 Queen St. West
Suite A1
Toronto, Ontario
M5H 2N2

Dear Councillor Del Grande:

Recently, I was approached by members of the Sheppard East Village Business Improvement Area (SEVBIA) regarding their concerns over the potential negative impact that the construction of the Sheppard Avenue East Light Rail Transit line may have on their member businesses.

In light of the fact that LRT construction is scheduled to begin this Fall, SEVBIA are requesting an opportunity to address Scarborough Community Council at its October 13, 2009 meeting so that they can outline their concerns and to seek support on several related initiatives.

I thank you for your consideration of this matter.

Yours sincerely,

Councillor Chin Lee
Ward 41 – Scarborough Rouge River
