1-95 Ellesmere Road - Inclusion on Heritage Inventory**Committee Recommendations**

Scarborough Community Council recommends that City Council:

1. Include the property at 1-95 Ellesmere Road (specifically the portion with the convenience address of 15 Ellesmere Road) on the City of Toronto Inventory of Heritage Properties.

Decision Advice and Other Information

Scarborough Community Council received the following communications:

- a. (November 26, 2008) from Brian T. Parker, Gowling Lafleur Henderson, LLP; and
- b. (November 28, 2008) from the Toronto Preservation Board.

Origin

(October 21, 2008) Report from Director, Policy and Research, City Planning Division

Summary

There is a proposed development application for the property at 1-95 Ellesmere Road, which contains Parkway Plaza. The site contains a rare late 20th century grocery store with a distinctive curved roof that is most recently occupied by a Dominion (now Metro) franchise and has a convenience address of 15 Ellesmere Road.

Following research and evaluation, staff have determined that the property has cultural heritage value and merits listing on the City of Toronto Inventory of Heritage Properties. The inclusion of the property on the City's heritage inventory would enable staff to monitor the site and encourage the retention of its heritage values and attributes.

Traffic Control Signal Request at 830 Progress Avenue – Status Report

Decision Advice and Other Information

Scarborough Community Council deferred consideration of this item until its next meeting on February 9, 2009.

Origin

(December 15, 2008) Report from Director, Transportation Services, Scarborough District

Summary

This staff report is about a matter for which the Community Council has delegated authority from City Council to make a final decision.

The purpose of this report is to respond to a request from Scarborough Community Council to provide the status of a request to consider installing Traffic Control Signals on Progress Avenue at the Proponents' private accesses to 830 Progress Avenue and 831 Progress Avenue, approximately 275 metres east of Bellamy Road.

An updated Traffic Impact Assessment submitted by the Proponents revealed that Traffic Control Signals were not technically warranted at this location. The Proponents subsequently withdrew the request to consider installing Traffic Control Signals at this location.

Proposed All-Way Stop Control – Bushby Drive at Grangeway Avenue**Committee Recommendations**

Scarborough Community Council recommends that City Council:

1. Approve the installation of an All-Way Stop Control at the intersection of Bushby Drive at Grangeway Avenue.
2. Adopt the “Compulsory Stops” regulation, as identified in the Appendix 1 of this report.
3. Amend the appropriate by-law accordingly.

Origin

(December 1, 2008) Report from Director, Transportation Services, Scarborough District

Summary

This staff report is about a matter for which the Community Council does not have delegated authority from City Council to make a final decision.

The report provides the rationale for an All-Way Stop Control to be installed at the intersection of Bushby Drive and Grangeway Avenue.

An All-Way Stop Control is warranted at this intersection due to its reconfiguration through the construction of the Grangeway Avenue extension from Bushby Drive south to Ellesmere Road.

Proposed Minor Street Stop Signs – Catalina Drive and Prince Philip Boulevard Area

Committee Decision

Scarborough Community Council:

1. Rescinded the “Compulsory Stops” regulations, as identified in Appendix 1 of this report.
2. Adopted the “Through Street” and “Compulsory Stops” regulations for those subject uncontrolled three-way intersections, as identified in Appendix 2 of this report.
3. Directed that the appropriate by-law be amended accordingly.

Origin

(December 15, 2008) Report from Director, Transportation Services, Scarborough District

Summary

This staff report is about a matter for which the Community Council has delegated authority from City Council to make a final decision.

This report responds to a request to install compulsory stop controls at various intersections in the Catalina Drive and Prince Philip Boulevard neighbourhood.

Transportation Services staff reviewed the installation of stop signs at minor street uncontrolled intersections and replacement of yield signs with stop signs as a standard practice of using compulsory stop signs at three-way uncontrolled intersections in the Guildwood Village Park neighbourhood.

The installation of minor street stop signs is recommended at the intersections of: Bournville Drive and Earswick Drive, Catalina Drive and Bledlow Manor Drive, Catalina Drive and Bournville Drive, Grandor Court and Prince Philip Boulevard, Rowatson Road and Fareham Crescent (north intersection), and Rowatson Road and Fareham Crescent (south intersection).

The replacement of yield signs with stop signs is recommended at the intersections of: Avonmore Square and Prince Philip Boulevard (north intersection), Avonmore Square and Prince Philip Boulevard (south intersection), Bournville Drive and Prince Philip Boulevard, Prince Philip Boulevard and Sonneck Square (north intersection), and Prince Philip Boulevard and Sonneck Square (south intersection).

It is recommended that minor street stop signs be installed at these three-way intersections to clearly define the right-of-way and to regulate traffic flow.

Proposed Minor Street Stop Signs on Keeler Boulevard and Vicinity

Committee Decision

Scarborough Community Council:

1. Adopted the “Compulsory Stops” regulation, as identified in Appendix 1 of this report.
2. Directed that the appropriate by-law be amended accordingly.

Origin

(December 15, 2008) Report from Director, Transportation Services, Scarborough District

Summary

This staff report is about a matter for which the Community Council has delegated authority from City Council to make a final decision.

This report responds to a request to install a minor street stop sign at the uncontrolled intersections along Keeler Boulevard.

At the same time, Transportation Services staff also reviewed the installation of minor street stop signs at other uncontrolled three-way intersections in the immediate area.

It is recommended that minor street stop signs be installed at the subject uncontrolled three-way intersections to clearly define the right-of-way and to regulate traffic flow. Minor street stops will also encourage motorists to stop before the sidewalk to enhance pedestrian safety.

1 Seminoff Street, 330-398B Danforth Road, 2 Pilkington Drive and 35-55 Wilkes Crescent (350 Danforth Road) – Part Lot Control Exemption Application – Final Report

Committee Recommendations

Scarborough Community Council recommends that City Council:

1. Enact a part lot control exemption by-law with respect to the subject lands as generally illustrated on Attachment 1, to be prepared to the satisfaction of the City Solicitor and to expire two years after registration following enactment by City Council.
2. Require the owner to provide proof of payment of all current property taxes for the subject lands to the satisfaction of the City Solicitor, prior to the enactment of the part lot control exemption by-law.
3. Prior to the introduction of the part lot control exemption Bill, require the owner to register, to the satisfaction of the City Solicitor, a Section 118 Restriction under the Land Titles Act agreeing not to transfer or charge any part of the lands without the written consent of the Chief Planner or his designate.
4. Authorize the City Solicitor to take the necessary steps to release the Section 118 Restriction from title at such time as confirmation is received that the associated common elements condominium has been registered.
5. Authorize and direct the City Solicitor to register the part lot control exemption by-law on title.
6. Authorize the City Solicitor to make such stylistic and technical changes to the draft part lot control exemption by-law as may be required.

Origin

(December 15, 2008) Report from Director, Community Planning, Scarborough District

Summary

This application was made on or after January 1, 2007 and is subject to the new provisions of the Planning Act and the City of Toronto Act, 2006.

An application has been submitted to permit exemption from part lot control for the properties at 1 Seminoff Street, the even numbered properties at 330-398B Danforth Road, 2 Pilkington Drive, and the odd numbered properties at 35-55 Wilkes Crescent (part of the larger property known as 350 Danforth Road).

The requested exemption from the part lot control provisions of the Planning Act is required to create conveyable lots for 50 common element condominium townhouses.

This report reviews and recommends approval of the part lot control exemption.

975 Kennedy Road – Zoning and Site Plan Control Applications Request for Direction Report

Committee Recommendations

Scarborough Community Council recommends that City Council:

1. Direct the City Solicitor to attend the OMB on the revised proposal consisting of a 4-storey, 120-unit residential development as generally illustrated on Attachments 1 and 2. The applicant is required to submit revisions to this proposal based on the latest review by City staff to address, among other matters, improvements to the lower level entrances and balconies facing Kennedy Road, additional tree planting along Kennedy Road and within the site, information and clarifications on the stormwater and arborist reports, details on the waste and recycling management facilities, and additional details and dimensions for the landscaping including the building rooftop area, walkways, truck turning radii and parking spaces.
2. Authorize the City Solicitor to, upon the applicant making satisfactory revisions to plans, drawings and reports to address outstanding matters, and in consultation with City Planning staff, prepare and make such stylistic and technical changes to the zoning by-law amendment to establish the appropriate development standards including a maximum floor area, building height, and lot coverage and for establishing appropriate setbacks, landscaping and parking ratio requirements for the revised development scheme.
3. Support the OMB approval of the site plan control application upon the satisfactory resolution of the outstanding issues including the requirement for the owner to enter into the City of Toronto's standard site plan control agreement that is registered on title to the subject lands.
4. Authorize the execution of any agreement that may be required to secure matters in this report or to implement any OMB decision.

5. Instruct the City Solicitor to request, if necessary, that the OMB withhold its Order pending completion of any outstanding matters.

Origin

North Side Sheppard Avenue East (Lands Adjacent to Boydwood Lane) Zoning and Subdivision Applications - Request for Direction Report

Committee Recommendations

Scarborough Community Council recommends that City Council:

1. Direct the City Solicitor and necessary City staff to appear before the Ontario Municipal Board (OMB) in opposition to the applications in their current form as the applicant has not adequately demonstrated that the proposed 10 metre setback adequately addresses the Official Plan and Provincial Policy Statement with respect to the protection of the Provincially significant Area of Natural and Scientific Interest (ANSI) and Official Plan policy concerning set back from the top of bank.
2. Authorize City staff and the Toronto and Region Conservation Authority (TRCA) to continue to work together with the applicant to define the appropriate developable land based on a 30 metre, publicly-owned, set back from the top of bank.

3. Subject to determining the appropriate developable lands based on a 30 metre, publicly-owned, set back on the subject lands, authorize City staff to support one or more residential lots for single detached dwellings.
4. Authorize the City Solicitor and any appropriate City staff to take actions as necessary to give effect to the recommendations of this report to ensure an acceptable setback and appropriate residential performance standards are developed to protect the Provincially significant Area of Natural and Scientific Interest (ANSI) and to ensure the City's interests are appropriately represented and secured.

Origin

(December 15, 2008) Report from Director, Community Planning, Scarborough District

Summary

The purpose of this report is to seek City Council's direction on an upcoming Ontario Municipal Board hearing scheduled for February 11, 2009 on an appealed zoning by-law amendment and associated subdivision application.

The applicant proposes to amend the zoning by-law to create six new lots to permit the development of six new single detached residential units on a new single loaded public road by way of plan of subdivision. The site is located on lands adjacent to 33 Boydwood Lane, fronting Sheppard Avenue East.

The applicant has appealed the rezoning and subdivision applications to the Ontario Municipal Board based on the lack of a decision from City Council within the timelines stipulated by the Planning Act. The purpose of this report is to seek City Council's direction on the appeal and authorization for the City Solicitor and necessary City staff to attend the Ontario Municipal Board to ensure the City's interests are appropriately represented.

160 Nashdene Road - Zoning Application - Final Report

Statutory - Planning Act, RSO 1990

Committee Recommendations

Scarborough Community Council recommends that City Council:

1. Amend the zoning by-law for 160 Nashdene Road substantially in accordance with the draft zoning by-law amendment attached as Attachment 5.
2. Authorize the City Solicitor to make such stylistic and technical changes to the draft zoning by-law amendment as may be required.

Decision Advice and Other Information

The Scarborough Community Council held a statutory public meeting on January 13, 2009, and notice was given in accordance with the Planning Act.

Origin

(December 15, 2008) Report from Director, Community Planning, Scarborough District

Summary

This application was made on or after January 1, 2007 and is subject to the new provisions of the Planning Act and the City of Toronto Act, 2006.

The applicant proposes to amend the zoning by-law to permit a new car dealership operation with associated indoor vehicle storage space and a vehicle service use at the northwest corner of Markham Road and Nashdene Road.

The land use proposed is consistent with the Employment Areas policies in the Toronto Official Plan. The proposed development will support the economic function of the Employment Area. The zoning by-law amendment will allow for appropriate development on the subject lands.

This report reviews and recommends approval of the application to amend the zoning by-law.
