Re: Renaming Dupont Parkette (N/E corner Dupont/Avenue Rd)
To "Concetta Conforzi" Parkette

Dear Peter:

Please find enclosed a family picture taken around 1938. Most of us were born during the depression years – and it was tough on my mother and father to make ends meet while raising this large family.

My mother was a typical Italian immigrant along with other immigrants of other nationalities who worked hard and made a huge contribution to Canada. Part of my parents' contribution was their off-spring, many of which became accomplished musicians, engineers, doctors, lawyers, builders, developers...the list goes on and on.

Even though my mother passed away many years ago, I still remember the sacrifices she made to bring up a great family.

I would like to donate \$100,000.00 to the City of Toronto to rename the Dupont parkette to the "Concetta Conforzi" parkette in honour of this great woman.

As a true friend of many years, I would appreciate your help to rename this parkette to the "Concetta Conforzi" parkette.

Thanks and God bless.

Yours sincerely,

John P. Conforzi.
