**RE: REQUEST FOR A REPORT BACK ON A STREETScape STUDY
FOR DUNDAS STREET WEST BETWEEN UNIVERSITY & BATHURST**

Dear Chair and Members of Community Council:

I am writing to seek your support to request that:

1. the Executive Director and Chief Planner, in consultation with the General Manager of Transportation Services, and the Executive Directors of Technical Services, and Economic Development Culture and Tourism, report back to the next Toronto and East York Community Council on the scope of work for the preparation of a streetscape study, design and implementation plan for Dundas Street West between University Avenue and Bathurst Street, in advance of the forthcoming watermain replacement and road and sidewalk reconstruction. The scope should outline the potential approach, cost, timing and process involved, including community and stakeholder consultation.

Your consideration on this matter is greatly appreciated.

Sincerely,

Adam Vaughan, Councillor
Ward 20, Trinity-Spadina
