DECISION HISTORY

An application for a boulevard café on the Rainsford Road, flankage of 1862 Queen Street East was received on July 31, 2008 from Stephane Poquet operating as Sauvignon Bistro & Bakery. The application submitted was seeking permission to establish a

boulevard café on the Rainsford Road flankage for 45.41 square meters which would accommodate approximately 39 patrons. **(Appendix No. 4)**

As the proposed boulevard café flanks a residential district, a public poll was conducted in accordance with the polling provisions of the City of Toronto Municipal Code Chapter 190 from which a negative response was received.

ISSUE BACKGROUND

As the proposed café flanks a residential district, the former City of Toronto Municipal Code Chapter 313 requires a public poll of owners and tenants within 120 metres of the proposed café.

A poll dated November 26, 2008 with the last date for filing a response being December 29, 2008 was conducted by the City Clerks Office, Elections and Registry Services for the Rainsford Road flankage, in English, between the premises 5 –39 Rainsford Road, 6-40 Rainsford Road and including 1862 and 1864 Queen Street East, to determine neighbourhood support.

The results of the poll received from Election and Registry Services indicate that the majority of ballots cast did not support the application. The provisions of Municipal Code Chapter 190 indicate that if the majority of ballots cast are opposed to the application, the application must be refused. **(Appendix No. 1)**

The applicant was notified of the refusal in writing on January 19, 2009. **(Appendix No. 2)**

On January 19, 2009 Municipal Licensing and Standards received a letter of appeal from the applicant. **(Appendix No. 3)**

COMMENTS

This application meets the physical criteria for a boulevard café, as set out in Chapter 313, Section 313-36 of the former City of Toronto Municipal Code.

Chapter 313, Chapter 313-36 A(6) of the former City of Toronto Municipal Code requires Municipal Licensing and Standards, to refuse the application where the results of a poll indicates the majority are not in favour of the application.

When there is a negative response, re-polling for the same purpose may not take place until two years have passed from the closing date of the previous poll.

As a result, no further application for boulevard café privileges at this location can be accepted until December 29, 2010, two years from the closing date of the public poll.
