**To: Toronto and East York Community Council**

**Re: Boulevard Café License – 443 Parliament St.**

## Background

City Council at its meeting on March 3, 4 and 5, 2008 adopted motion M17.18 entitled “Liquor Licence Application – 443 Parliament Street – Wing Machine which recommended support of the application for a liquor license at this location provided that conditions agreed upon by the ward Councillor, the applicant, City Staff, local residents and the AGCO were met. A number of these conditions relate specifically to the outdoor patio area.

In the event that this applicant receives a Boulevard Café license this patio season, I am asking that Toronto and East York Community Council request Municipal Licensing and Standards to actively monitor and enforce those conditions which apply to the outdoor patio, and report back to the ward Councillor and Toronto and East York Community Council.

## Recommendations

That Toronto and East York Community Council:

1. Direct Municipal Licensing and Standards to regularly monitor the location to ensure compliance with the conditions and report back

to Toronto and East York Community Council at the end of the 2009 patio season.

2. Direct Municipal Licensing and Standards to immediately report to the ward Councillor if there are any violations of the conditions of the agreement.

Sincerely,

Pam McConnell  
Councillor, Ward 28
