Dear Councillor Vaughan,

We wish to thank you and members of City Council for your assistance in supporting our recent application process for a Stadium Endorsement for Massey Hall.

We now seek your support and approval from City Council to proceed with an application to the Alcohol and Gaming Commission of Ontario for Stadium Endorsement for Roy Thomson Hall ((Liquor Licence # 35002) that would permit patrons to consume their alcoholic beverages in their seats during concert performances.

Please call me should any further information be required to support this request.

Randy Jackson
Yours truly
