Chair and Members  
Toronto and East York Community Council

Dear Chair and Members:

**TEYCC 27.166 – Lane and sidewalk closure at University of Toronto**

**Summary:**

City Council on May 25, 26 and 27, 2009 adopted the Toronto Walking Strategy (PW24.6) and directed Transportation Services staff to work with Ryerson University and the University of Toronto to design and implement two pedestrian street projects by 2010.

**Recommendation:**

Toronto and East York Community Council further directs Transportation Services staff to consult with the University of Toronto, area residents and the local ward Councillor to review the feasibility of closing portions of Wilcox, Devonshire Place and St. George Streets to vehicular traffic in order to implement a pilot pedestrian street project and report back on the results of the pilot project in the third quarter of 2010.

Thank you for your consideration.

Sincerely,

Adam Vaughan, City Councillor
