**RE: Request for Traffic Calming on Withrow Avenue between
Carlaw and Logan Avenues**

Dear Councillor McConnell and Members of the TEYCC:

I am bringing forward this petition for speed humps on Withrow Avenue between Carlaw and Logan Avenues. The residents on this stretch of Withrow have safety concerns because there is an elementary school located on the street. They are also concerned about speeding and the number of large vehicles travelling on this stretch.

I am requesting that Technical Services conduct a traffic study to move this forward and report back on their findings.

Sincerely,

Paula Fletcher
