**Councillor** Toronto-Danforth Ward 30

Thursday September 10, 2009

Councillor Pam McConnell, Chair  
Toronto East York Community Council

**Re: Request to have 450 Pape Avenue designated as a Heritage Property**

Dear Councillor McConnell and Members of the TEYCC:

I have received a request from the Riverdale Historical Society to have the property at 450 Pape designated as a heritage building. The house is known as the Harris/Cranfield House and is of historical significance to the history of Toronto as well as Riverdale. .

Currently, the house is unoccupied and listed for sale at a price of \$2.5 million dollars. Residents are concerned this property may be sold and would like to ensure the building is preserved. . Relatives of William Harris have also come forward to request assistance in the hope that this building can be preserved.

I would like to recommend that Heritage Preservation Services assist in having 450 Pape designated as a heritage property.

Sincerely,

Paula Fletcher  
City Councillor, Ward 30
