Ms Ros Dyers, Administrator
Toronto & East York Community Council
Toronto City Hall – 4th Floor, West Tower
100 Queen Street West
Toronto, ON M5H 2N2

Dear Ms Dyers,

This is to inform you in compliance with the guidelines of the Alcohol and Gaming Commission of Ontario that the following restaurants and pubs in Cabbagetown will be applying for temporary extensions of their liquor licenses. This will allow the operation of outdoor patios in front of their establishments on Saturday, September 12, 2009 and Sunday, September 13, 2009. These restaurants and pubs are part in our annual Cabbagetown Festival. Their activities are an integral part of our program.

We are seeking resolutions from the Community Council and from Council that there is no objection to the granting of these permits to these establishments.

We also need a resolution from Council designating the Cabbagetown Festival as an event of “Municipal Significance” so the businesses can enclose it with their applications.
