Re: Letter of Non Objection

This letter is to request a letter of Non objection, for the Sorauren Park Summer Festival / Fundraiser.

The Festival will be held on July 18, 2009. From 8:00 am to 11:00 pm, and will consist of children activities, flea market, art show, live music perform by local artist, BBQ and beer garden. The event is well supported by the Community and the local BIA.

Sorauren Park has been the location of this event in the past. The Festival is geared toward community awareness and the celebration of recreation activities provided in our area. The Park is also home to many sports house leagues that accommodate children of all ages. We strongly feel that the Beer Garden continues to help with this event. All money raised will go directly into the activities of the event itself.

Sorauren Park is located on Sorauren Avenue just south of Dundas Street and west of Lansdowne Avenue. Please find enclosed a diagram of the park detailing the location of the events planned for the day. We thank you and appreciate your time, and any help you are able to provide in assisting us run this successful community event.

For further details on the Sorauren Park Festival, please feel free to contact me at 416-392-6696.

Sincerely,

Vincent Lawrence
Recreation Co-ordinator
