AUDITOR'S REPORT

To the Council of the Corporation of the City of Toronto and the Board of Management for the Mount Pleasant Business Improvement Area

I have audited the statement of financial position of the Board of Management for the Mount Pleasant Business Improvement Area as at December 31, 2009 and the statements of revenue, expenditure and operating surplus and changes in financial position for the year then ended. These financial statements are the responsibility of the Board's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly in all material respects, the financial position of the Board as at December 31, 2009 and the results of its operations and changes in financial position for the period then ended in accordance with Canadian generally accepted accounting principles.
