Dear Sean:

Re: CMHC 2010 House Value Thresholds for City of Toronto

This confirms CMHC has completed its review of House Value Thresholds for the City of Toronto for 2010. Effective immediately the 2010 House Value Thresholds for the entire City of Toronto is \$450,000 and is based on one zone only.

I trust this will make a considerable difference in qualifying homeowners under our Residential Rehabilitation Assistance Program (RRAP).

If you have any questions or concerns please feel free to call me at 416-218-3306 or Lorella Sahakian, Manager Special Initiatives at 416-250-3285.

Sincerely,

Steve Jacques
