### Clarification of Council Direction - Steeles Avenue East at Tapscott Road and at Staines Road

#### Committee Recommendations

The Public Works and Infrastructure Committee recommends that:

1. City Council approve the installation of weekday AM Peak westbound to southbound left-turning prohibitions and PM Peak northbound to eastbound right-turning prohibitions at the intersection of Steeles Avenue East at Tapscott Road and direct that these installations be implemented once the Markham By-Pass extension from Highway 407 to Steeles Avenue East is approved and opened to public traffic.
2. City Council approve the installation of weekday AM Peak (6:00 a.m. to 10:00 a.m.) westbound to southbound left-turn prohibitions and PM Peak (3:00 p.m. to 7:00 pm.) northbound to eastbound right-turning prohibitions at the intersection of Steeles Avenue East and Staines Road.”

#### Origin

(May 27, 2010) Report from General Manager, Transportation Services

#### Summary

This report seeks clarification from City Council on an earlier Resolution about turning prohibitions at the intersections of Steeles Avenue East at Tapscott Road and at Staines Road relating to the Markham By-Pass.
