**ADVERTISING OF CHILD SAFETY CAR RESTRAINTS PROGRAM**

I am requesting that an item of new business be added to the agenda for the Community Development and Recreation Committee meeting to be held on June 24, 2010, so that staff may be requested to submit a report to a future meeting of the Committee on advertising related to the child safety car restraints program.

Recommendation:

That the Community Development and Recreation Committee request the Fire Chief and General Manager, in consultation with the appropriate staff, to submit a report to the Community Development and Recreation Committee on how the individual events held to install/inspect child safety car seats could be advertised using the three languages most commonly spoken in the areas surrounding the events.

Sincerely,

Councillor Paul Ainslie  
Scarborough East Ward 43
