

## **Attachment 2: SARAC recommendations for short term outcomes**

The Provincial government has implemented four short-term recommendations from a longer list submitted by SARAC in March 2010. The four recommendations that have been implemented are:

- Expanding the exemption of small payments and in-kind gifts;
- Shortening the suspension periods for non-compliance with participation requirements;
- Clarifying the rules for disposing of assets in relation to eligibility (e.g., for persons paying off a government debt; and
- Changing the shelter allowance calculation for people who share the cost of their accommodation.
