Chair Janet Davis
Community Development and Recreation Committee

Dear Chair and Members:

Re: Item 32.4 Status Report on the Port Lands Sports Centre Project

I am writing to request that this item be referred to the next meeting of Community Development and Recreation scheduled for Wednesday, May 26, 2010. It is currently an information item only. The referral would allow this item to be an Action Item at the next Committee meeting.

Thank you for your consideration.
