Date:	February 1, 2010
To:	Executive Committee
From:	City Council
Wards:	All

City Council Decision

City Council on January 26 and 27, 2010, referred Motion MM45.12 to the Executive Committee.

Recommendations

Councillor Ainslie, seconded by Councillor Ootes, recommends that:

1. City Council request the City Manager, in consultation with the City Clerk, to report to the Executive Committee on establishing a term limit for Council Member appointments to agencies, boards, commissions and corporations, effective with the next term of Council.

Summary

City Council appoints Members of Council and members of the public to various agencies, boards, commissions and corporations. Council has established term limits for citizen appointments. In order to give more Council members the opportunity to serve on these bodies, Council should also establish term limits for Council Member appointments to agencies, boards, commissions and corporations. This Motion asks the City Manager, in consultation with the City Clerk, to report to the Executive Committee on establishing term limits for Council Member appointments to agencies, boards, commissions and corporations to be effective with the next term of Council.
