ITEM NO. EX44.26**New Business****Moved by: Councillor Moscoe**

The Executive Committee refers the following motion to the General Manager, Parks, Forestry and Recreation, for consideration with the Parks Plan that is underway:

- 1. The General Manager, Parks, Forestry and Recreation be directed to develop a parks enhancement strategy to ensure that parks in priority neighbourhoods or low development areas benefit in some way from funds that are raised to enhance parks in affluent or active development areas.**
- 2. This strategy be initiated by a discussion paper that considers such mechanisms as:**
 - a percentage of donation levy**
 - a matching fund policy**
 - a share of section 37 levy**
 - a per capita budget share**

EXECUTIVE COMMITTEE

MAY 17, 2010

- **indexing City investment to average income data**
- **discussion of current mechanisms**
