Other Items Considered by the Community Council

(The Community Council is authorized to take certain actions without Council's approval.)

EY31.24	ACTION		Delegated	Ward: 2
---------	--------	--	-----------	---------

Burrard Road and Caulfield Road – All-Way Stop Control

Committee Recommendations

Etobicoke York Community Council directed that:

1. Deferred the report (October 16, 2009) from the Director, Transportation Services, Etobicoke York District to its meeting on January 12, 2010.

Origin

(October 16, 2009) Report from Director, Transportation Services - Etobicoke York District

Summary

The purpose of this report is to present the results of an investigation for the installation of an all-way stop control at the intersection of Burrard Road and Caulfield Road. A staff assessment has determined that the criteria for the installation of an all-way stop for this location have not been achieved. Specifically, the minimum warrant requirements are not met at this intersection due to the low traffic volumes entering from the minor streets and the good safety record.
