EY31.60	ACTION			Ward: 17

New Sabby Concrete and Supplies - 32 and 36 Caledonia Road

Committee Recommendations

Etobicoke York Community Council recommends that:

1. City Council request the Ministry of the Environment reinvestigate the environmental and health concerns of the community in view of the environmental spill that occurred on October 31, 2009.

2. City Council further request the Ministry of Environment to apply strict regulations and restrictions to the Certificate of Approval or to review and revoke the licence as this industrial use is not compatible with the residential community.

Decision Advice and Other Information

Etobicoke York Community Council:

1. Directed the Manager, Municipal Licensing and Standards, Etobicoke York District, to review the operations carried on by New Sabby Concrete and Supplies at 32 and 36 Caledonia Road, Toronto, as it relates to non-conforming status, property standards, waste issues, and By-laws under their jurisdiction.

2. Directed the Director, Toronto Water to review the operations carried on by New Sabby Concrete and Supplies at 32 and 36 Caledonia Road, Toronto, as it relates to the discharge to the storm and sewage system.

3. Directed the Acting Director, Transportation Services to evaluate the operations carried on by New Sabby Concrete and Supplies at 32 and 36 Caledonia Road, Toronto, with regard to the impact on traffic in the area and on any potential safety concerns that may arise in connection with the operation.
