Re: Manager, Traffic Planning/Right-of-Way Management,
Transportation services, Etobicoke York District, City of Toronto

I am operating Rogers Road Pharmacy at 576 Rogers Road, Toronto Ontario, M6M 1B6,
and planning to extend the building from back side.

This is to renovate the existing pharmacy and add a Doctor's office inside the pharmacy.

I am requesting this PIL of parking application as zoning review outlined that 1 (one)
additional parking space is required.

Sincerely
Munawar A. Pasha
