### Disabled Persons' Parking – EYD – June 2010

<b>Date:</b>	June 3, 2010
<b>To:</b>	Etobicoke York Community Council
<b>From:</b>	Director, Transportation Services - Etobicoke York District
<b>Wards:</b>	Ward 11 - York South-Weston, Ward 13 - Parkdale-High Park, and Ward 17 - Davenport
<b>Reference Number:</b>	p:\2010\Cluster B\TRA\EtobicokeYork\eycc100108-to

### SUMMARY

---

This staff report is about a matter which Community Council has delegated authority from City Council to make a final decision.

The purpose is to obtain approval for the installation of a number of on-street parking spaces for persons with disabilities.

### RECOMMENDATION

---

#### Transportation Services recommends that:

1. Etobicoke York Community Council approve the installation of on-street parking spaces for persons with disabilities at the locations identified in the attached Appendix A.

#### Financial Impact

Funds in the amount of \$900.00 are available within Transportation Services Division's 2010 Operating Budget.

### ISSUE BACKGROUND

Transportation Services receives numerous requests for the installation and removal of on-street parking spaces for persons with disabilities. Some of these requests come directly from members of the public and others are received through the local Councillors' offices.

The installation of designated on-street parking spaces for persons with disabilities is a convenience provided for disabled persons and/or those who transport them, making it easier for them to find available parking as near as possible to their places of residence or intended destinations and reducing the distance that the disabled persons must walk. Delays in installing these requested on-street spaces may create hardships for disabled applicants.

## **COMMENTS**

Transportation Services staff have investigated the feasibility of installing on-street parking spaces for persons with disabilities at the locations identified in the attached Appendix A to this report. None of these sections of roadway are served by TTC transit routes.

For locations where on-street disabled persons' parking spaces are being established, all applicants are holders of valid Accessible Parking Permits issued by the Ministry of Transportation and each designated space will not result in the loss of more than one on-street parking space for general use.
